PUBLISHED BY JOHN MURRAY,

Bookseller to the Admiralty and Board of Longitude,

ALBEMARLE STREET, LONDON.

1803, Dec - Sept 1824

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (**POST PAID**, or under cover to the Secretary of the Admiralty) which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the *Quarterly HALF-PAY LIST* may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which have latterly grown into use.

1803, Dec - Sept 1824

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (**POST PAID**, or under cover to the Secretary of the Admiralty) which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the Quarterly **HALF-PAY LIST** may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which have latterly grown into use.

ADMIRALTY OFFICE.

10th December, 1816.

ABSTRACT of Regulations, on the Subject of Pay, established by the Lords Commissioners of the Admiralty, in obedience to and in pursuance of His late Majesty's Order in Council, dated 25th November, 1816, to commence from the 1st January, 1817.

I.

THE Sea Pay of all Officers and Men of His Majesty's Navy and Royal Marines, as stated in the Table, is a Nett Pay, without addition or deduction of any kind.

II.

In all cases where Personal Pay is now payable, three fourth parts of the new Nett Pay shall be considered as Personal Pay, and shall be payable accordingly, and all Laws, Regulations, or Instructions now existing, concerning Personal Pay, are to be taken and considered to apply to three fourth parts of the new Nett Pay, and those concerning Compensation are to be taken and considered to apply to the remaining one-fourth part of the new Nett Pay, except as may be hereinafter ordered to the contrary.

III.

Flag Officers or Commodores with Captains under them, when commissioned as Commanders-in-Chief, or properly succeeding to such command, shall have a Pay of 3*l.* per diem in lieu of the present Table Money, but this shall be payable only while the Flag or Broad Pendant of the Officer is flying within the actual limits of his station; and on his death or absence shall be paid to the Officer on whom the Command may devolve, provided he be a Flag Officer or a Commodore with a Captain under him.

IV.

Captains who in the death or absence of a Commander-in-Chief are authorized to hoist a distinguishing Pendant, shall receive the Pay of 1*l.* per diem in addition to their Pay as Captains while the Pendant is flying within the limits of the station.

V.

The following Officers shall be permitted to draw Bills for the Amount of three fourths of their Pay, quarterly: Captains, Commanders, Lieutenants commanding, Surgeons.

VI.

The following Officers shall be permitted to draw the whole of their Pay, quarterly: Flag Officers, Lieutenants not Commanding, Officers of Royal Marines*, Physicians of the Fleet, Masters of the Fleet, Chaplains, Secretaries, Assistant Surgeons†.

* By a subsequent order, dated 10 Feb. 1820, the Royal Marine Officers are to draw their pay at the precise amount of its daily rate, and by the calendar month.

† This only applies to the case of Assistant Surgeons when they are serving with Surgeons. In small Vessels, where there are no Surgeons, the Assistants can only draw for Pay as Surgeons.

VII.

The following Officers shall be permitted to draw the whole of their Pay, half-yearly : Passed Mates, Passed Midshipmen, Secretaries Clerks, Captains Clerks, Schoolmasters.

VIII.

Bills drawn by any Lieutenant of the Ship, Officer of Royal Marines, Master, Chaplain, Secretary, Assistant Surgeon, Clerk, Mate, Midshipman, or Schoolmaster, must be certified by the Purser and approved by the Captain. The Purser shall be held responsible that the said Bill is not for a greater Sum than the Officer had a right to draw for, after any Debt for Slops or Dead Men's Clothes is abated from the Amount of his Wages, for the Period for which the Bill is drawn; and the Captain shall be held responsible, that the Officer so drawing has been borne for Wages during the specified period, and is entitled by these Regulations to draw, and that the Purser has already approved the said Bills.

IX.

Mates and Midshipmen shall be entitled to draw after they shall have passed the Examinations prescribed by the Regulation of the 22d January, 1816, both at the Naval College, and before Three Captains. And no Captain shall approve the Bill of any Mate or Midshipman, who shall not have produced to him Certificates of his having passed both Examinations; for which purpose a duplicate Certificate is to be given him, at the time of passing.

X.

But as Mates and Midshipmen, who had passed the usual Examination before the 1st March last, or before the Day of the Receipt of the said Regulations on the Foreign Station on which they may be serving, are not by the said Regulations required to pass again at the College; Captains are at liberty to approve the Bills of Mates and Midshipmen, whose Passing Certificates are dated prior to the 1st March last, or to the Day on which the said Regulations were received on the Foreign Station; which date the respective Commanders-in-Chief are to notify herewith to the several Captains.

XI.

B. am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein-before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Green-

wich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any Party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

One thousand eight hundred and nineteen, in the Fifty-ninth Year of His Majesty's Reigu.

SUPPLEMENTARY REGULATIONS RESPECTING CHAPLAINS IN THE NAVY.

Admiralty Office, 2d May, 1820.

HIS MAJESTY having been most graciously pleased, by his Order in Council of the 26th ult., to establish the following regulations respecting Chaplains in the Navy, (in addition to those established by his late Majesty's Orders in Council of the 4th March, 1812, and 4th March 1813,) and the allowance of pensions to their Widows, from the Charity for the Relief of Widows of Commission and Warrant Officers of the Royal Navy, *viz.*

1st, That there shall be a list of Chaplains kept at the Admiralty-office, in order of seniority; and that no person, whose name is not on that list, shall be considered as a Naval Chaplain.

That the said List shall consist of two parts, the first to be called the "Retired List," upon which those Chaplains shall be placed who have served the full time to entitle them absolutely to the half pay, under the said Orders in Council of the 4th March 1812, and 4th March 1813, or who may, by sickness or accident actually suffered in the service, be rendered incapable of ever again actively serving. The second part to be called the "Active List," upon which all Chaplains shall be placed from the dates of their respective warrants, and upon which they are to continue so long as they shall be in service, or on shore with the concurrence of the Lords Commissioners of the Admiralty.

2d. That every Chaplain entering His Majesty's service shall understand that he enters not for any particular ship or station, but for general service; and that, if he shall, on any occasion, refuse or neglect to discharge his duty in any ship or situation to which their Lordships may appoint him, he will be removed from the list.

3d. That any Chaplain thus removed from the list shall lose the whole of his previous time of service, and shall not be readmissible to the list of Chaplains, except when, under the peculiar circumstances of the case, their Lordships may authorize such re-admission, and may also allow his previous service to reckon as part of his time.

4th. That Chaplains who are by ill health unable to continue to serve, shall be invalidated or relieved like other officers, and when so invalidated or relieved, shall be placed either on the retired list when entitled thereto, or on the active list when the illness shall appear temporary, and the Chaplain hopes or intends to serve again on his recovery; or if the illness be permanent and the Chaplain be not entitled to any half pay, his name shall be removed from the list altogether.

5th. That no person shall be a confirmed Chaplain in his Majesty's Service who shall not be a Clergyman of the United Church of England and Ireland, in priest's orders, and who shall not have produced to their Lordships satisfactory Certificates of his good conduct and fitness for his situation.

6th. That their Lordships may grant an acting order to any clergyman of the United Church of England and Ireland, having only deacon's orders, who shall produce certificates of good conduct, and who shall be bound in reasonable time to take priest's orders, in which case he shall have a regular warrant, and shall be confirmed on the List of Chaplains from the date of his original Acting Order. But if he shall not, when he may have had convenient opportunities, take priest's orders, he shall be removed from the List, and shall be entitled to no advantage whatsoever from his service beyond his pay and prize-money for the period of his service, except only in case of wound, accident, or sickness, actually incurred in the service, when their Lordships may grant him whatever he would be entitled to if he had been in priest's orders.

7th. That no Widow shall be considered as a Chaplain's Widow unless her husband was in priest's orders, and unless his name was on the List at the time of his death; nor unless she shall have been married during or prior to her husband's service in the Navy, and unless her

husband shall have served three years in sea-going ships, or four years in Guard Ships subsequent to their marriage, and shall in the whole have served the length of time absolutely to entitle him to his Half-Pay; and that all such Pensions shall be paid by the Sea Officers' Widows' Charity, under the same Rules and Regulations as may from time to time apply to the Pensions of other Naval Officers.

8th. That the foregoing limitations shall not apply to the prejudice of the Widow of a Chaplain killed or drowned in the service; nor of a Chaplain's dying while on the Active List, provided their Lordships shall be satisfied that his death was occasioned by disease really contracted in the Naval Service, and that there was no fraud or collusion intended in his marriage, and that his Widow is a fit object for the Widows' Charity; all which being certified by their Lordships to the Court of Assistants, it shall be lawful for them to place such Widow on the Pension List.

9th. That Chaplains on the retired list shall be equally eligible for active service with others, provided they desire it, or provided they have not an absolute right to the half-pay, if the cause of their going on the retired list should have ceased.

My Lords Commissioners of the Admiralty hereby give notice of the said Regulations, for the information of all persons whom they may concern.

By command of their Lordships,

J. W. CROKER.

VICTUALLING OFFICE,
29th April, 1817.

IN consequence of the execution of the duties attached to the MEDICAL BRANCH of the late Transport Department having recently been transferred to this Board, we have to acquaint you, that we do not consider it necessary, under existing circumstances, to require the address of Medical Officers on Half Pay, more than once in each year; and we, therefore, hereby give you notice, that your Quarterly Address will, for the present, be dispensed with; and that in future it will only be incumbent upon you, to transmit the particulars of your residence to this Office, on the 31st day of December in the present, and in each succeeding year; provided, however, you do not change the place of your abode, in which event it will be imperative upon you forthwith to report your removal to this Office, to prevent an immediate stoppage being otherwise necessarily placed against your Half Pay.

We are,

Your very humble Servants,

J. C. SEARLE.

NICHOLAS BROWN.

J. WEIR.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

29th May, 1821.

SIR,

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

ADMIRALTY OFFICE,

June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave ; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordship's leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty. Officers who may not employ an agent may have the public fees on their letters of leave deducted from their Half-pay, on specifying their desire to that effect in the letter asking for the leave.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave ; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America ; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

VICTUALLING-OFFICE,

27th November, 1821.

By the Commissioners for Victualling His Majesty's Navy, and for the Care of Sick and Wounded Seamen.

The Right Honourable the Lords Commissioners of the Admiralty having been pleased at our suggestion, to approve of the names of such Medical Officers of the Royal Navy, as may have graduated at the Universities of Oxford, Cambridge, Edinburgh, or Dublin, or, who having so done at any other University, may be Members of the Royal College of Physicians of London, being accordingly distinguished by the letters M. D. in the Navy List; Notice is hereby given that those Naval Medical Officers who may already possess, or may hereafter obtain, the requisite Degree or License, must produce the same, or a satisfactory Certificate thereof, at this Office, in order that such distinction may be duly noted.

Notice is further given that, in all Appointments in the Medical Department of the Service, a preference will invariably be given, both to Surgeons and Assistants, who may have most distinguished themselves in their professional Studies and Attainments.

THE society is denominated the "ROYAL NAVAL ANNUITANT SOCIETY," and its numbers are not limited, but may be increased to the greatest possible extent.

2. The object of the society is to provide a stock or fund for the paying annuities to the widows and children of deceased members, agreeably to the several acts of parliament for the benefit of friendly societies.

3. This society is open to receive as its members the following description of officers, viz.:—flag officers, captains, commanders, lieutenants, masters, surgeons, pursers, chaplains, and officers of the royal marines, and their respective widows.

4. The duties of this society are to be conducted by the following number and description of officers, viz.:—a patron, vice-patron, at least twelve presidents, twelve vice-presidents, twelve trustees, four treasurers, an actuary (who is to be considered chief secretary) six secretaries, twelve stewards, and fifty other members, who are to compose a committee of management; and no member of this society is to serve in more than one office at the same time, except the actuary, and a general meeting shall have the power to elect additional presidents and vice-presidents when thought expedient.

5. The patron or vice-patron is to have the power of appointing a special, general, or committee meeting, at any time, by signifying his wish for that purpose to the committee, who is thereupon to summon such meeting accordingly; and at which, if present, he, the said patron, or vice-patron, which ever may have appointed the meeting, shall preside; or in case of his declining to do so, shall furnish any one of the presidents who may be then chosen to preside, with such information as he may be pleased to lay before the meeting. The patron or vice-patron is to be furnished, by the chairman at general meetings, with a correct copy of all reports which may be laid before them, and with every other information which he may be pleased to demand from time to time.

6. Either of the presidents shall have the power to call a general or committee meeting at any time, by notice in writing for that purpose to the actuary, who shall summon it accordingly; and at which, if the patron or vice-patron, be not present, the senior president shall preside. The presidents shall be furnished with reports, and every other information, in like manner with the patrons.

7. One of the vice-presidents, in the absence of the patron, vice-patron, and presidents, shall take the chair at all general meetings, agreeably to seniority as a member of the society. The vice-presidents, being members of the society, shall be, when

elected, the twelve senior officers of the highest ranks in the royal navy and royal marine forces.

8. The twelve trustees shall be members of this society, who, or the major part of them present at a meeting for that purpose, shall, from time to time, appoint the treasurer, and in the names of the said trustees all the monies forming the stock of the society, shall be from time to time invested in the savings bank, the public funds, or such other government securities as the said committee, or the major part of them present, shall think proper. The trustees, or the majority of them, by and with the concurrence of the committee present, signified in writing, under their hands, shall and may lay out and invest all such sums of money remaining in the hands of the treasurers, and not required for the immediate use and exigencies of the society, in the public funds or government securities, as the said committee, or the major part of them present, shall direct. And when the three per cent. consols shall fall in value, so as to make them on a par, or nearly so, with the interest given by the savings bank, then the monies of this society shall be transferred from the savings bank to the three per cent. consols; reserving, from time to time, such monies in the savings bank, as the committee shall deem necessary for the exigencies of the society; and no monies from the said three per cents. shall at any time be removed, except by consent of a general meeting, of which not less than ten days' notice shall be given, as hereinafter mentioned. And in case either of the trustees should die, or go to reside beyond seas, or decline, or become incapable of acting in the trusts or powers in him reposed, it shall and may be lawful for the committee of management, or the major part of them present, to nominate or appoint any other fit and proper person (being a member of the said society) to be a trustee, in the room of him so dying, going to reside beyond seas, declining, or becoming incapable of acting as aforesaid; and so on, from time to time, as often as occasion may require.

9. The four treasurers shall be members of this society, and be elected or re-elected annually, by the majority of the trustees present at the anniversary meetings. One of them shall attend to receive all monies from the actuary and stewards, and deposit the same in the savings bank, in the names of the said trustees, within six days after its receipt, or they shall be fined two per cent. on the amount, and so on for every week the sum is detained in their hands beyond that time. They shall draw all monies for paying claimants, and for defraying expenses incurred by the society, on receiving an order in writing from the majority of the committee present, stating the amount necessary, and for what purpose; and shall attend at all meetings for paying claimants, also at general and committee meetings; and at every quarterly meeting their accounts shall be audited.

10. The actuary and chief secretary shall be a member of this society, and shall not be in any other employ, but the whole of his attention shall be given to his duty as actuary, and shall be elected by scrutiny by the majority of votes at a general meeting, and such election shall be considered permanent. His duty is to attend at the quarterly subscription payments with the treasurers and stewards, and to investigate the validity of, and to pay all claims and demands, and to record, in proper books for that purpose, the names and residences of the members, the minutes of all transactions and orders of the society, or the committee hereof; to keep an account of all members' deaths, to register all claimants, the receipts and expenditure of the trustees, treasurers, and stewards, on behalf of the society; to write all letters, and perform all the duties incidental to his office. All expenses incurred by the society in receiving or sending letters, shall be repaid by the person or persons on whose account such expenses were incurred; but should those expenses remain unpaid, the actuary shall be repaid from the society's funds. All books, papers, and documents, belonging to this society, shall be open to the inspection of any Member of the committee, upon giving one day's previous notice in writing, to the actuary, of his desire so to do. The actuary shall not permit any books or accounts belonging to this society, which are kept by him, to be out of his possession, but by order of the committee, or the majority of them present, except in that of the society's auditors. (who are to be appointed by the committee.) The actuary shall attend at all general or committee meetings, and shall draw up, under their directions, the annual report, stating the whole of the pecuniary and other affairs of the institution; shall summon a general meeting of the society, when desired so to do by the committee, always giving ten days' notice of the same in one London daily paper twice, and once only in such provincial paper as the committee may point out from time to time; and shall also send circulars to those members who reside in Devon and Cornwall. He shall also summon, by circulars, a committee meeting, whenever desired by the patron, vice patron, or either of the presidents; or at the desire of any two of the vice-presidents, trustees, treasurers,

stewards, or any five members of the committee, their desire being signified in writing, and for what purpose. The actuary is authorized to receive all monies on account of this society in the intermediate time between the quarterly payments, and he is to enter all new members agreeably to the regulations of the society, and receive such monies as may be paid by the members; and whenever the same amounts to the sum of thirty pounds, he shall pay, within three days, all above the sum of ten pounds into the hands of the treasurers; and at every quarterly meeting his accounts shall be audited. In case the actuary should die, or go to reside beyond seas, or refuse, decline, or become incapable of acting in the trusts or powers in him reposed, it shall and may be lawful for the committee of management, or the majority of them present, to nominate or appoint any other fit and proper person (being a member of the said society) to be the actuary, in the room of him dying, going to reside beyond seas, refusing, declining, or becoming incapable to act as aforesaid, and so on, from time to time, as often as occasion may require. The salary of the actuary to be determined annually by the general meeting, at the recommendation of the committee, or the major part of them present; and he shall become bound in good and sufficient securities, for the due discharge of his duty, such security to be determined by such committee. And in case of any misconduct on the part of the actuary, he shall be removed from his office, when a majority at a general meeting convened for that purpose, shall so determine; and should he at any time wish to resign, six months' notice in writing of the same shall be given to the committee.

11. The six secretaries shall be members of this society, and be elected or re-elected annually by the majority of the members present at the anniversary meetings. It shall be the duty of two of them to attend at all general and committee meetings, to assist the actuary.

12. The twelve stewards shall be members of this society, and be elected or re-elected annually by the majority of members present at the anniversary meetings. They shall meet at the society's room, in DEVONPORT on the days appointed for the payment of naval officers' half-pay at the dock-yard, and keep the books open from eleven to three o'clock, and on the days of recall, from twelve until two o'clock, to enter all subscriptions received. By twelve o'clock on the second day, after the receipt of all monies belonging to the society, they shall pay the same into the hands of the treasurers, or shall pay a fine of one per cent. on the amount, and the like fine for each and every day the money is detained in their hands beyond that time. They shall minutely investigate the validity of the claims, attend the general and committee meetings, and with the treasurers, assist the actuary in paying all claims and demands. Should any matter come before the treasurers, actuary, and stewards, which these rules do not precisely explain, they shall refer it to the committee, the majority of whom present, shall finally determine the same. Two of the stewards in turn shall attend all meetings, both general and committee; and should either of the two whose duty it is to attend the meetings, neglect so to do, and neither of them be present, they shall be fined five shillings each, unless one of the other stewards act for them. At every quarterly meeting their accounts shall be audited.

13. The fifty other members of the committee shall be members of this society, and be elected or re-elected annually by scrutiny, by the members who may be present at the anniversary meetings, and be taken, as nearly as possible, from each rank of officers composing the society, in equal proportions, agreeably to the strength of each rank which may then be on the list of its members; and the chairman, treasurer, secretary, and steward of all branch societies, shall be, *ex-officio*, members of this committee.

14. A general meeting of the society shall be held on the first Monday in the month of July in every year, in the town of DEVONPORT in the county of Devon: at noon precisely the chair shall be taken by the patron, vice-patron, the senior president, or vice-president, then present; but in case of their absence, the members then present shall elect a chairman (for that occasion only), after which the committee of the preceding year shall lay before the meeting a written report, containing a statement of the funds of the society, in what securities they are invested, and the amount of the interest yielded by each security; also the expenses of the society, and for what purpose and in what manner incurred; the number of subscribers on the society's list, the donations received, the number of subscribers and annuitants who may have died during the year, together with the description of annuitants to be provided for by the society; what members may have been expelled by the committee, and on what grounds; together with every other information respecting the society, which the committee can give. The report which meets the approbation of the meeting shall be printed, under the direction of the actuary; and should any member of the society wish

for a copy, upon signifying such wish in writing to the actuary, on or before the day of meeting, he shall have a copy delivered him by paying for the same, as the only expense of the society shall be for one copy for each of the officers, and one copy for the use of the committees. After the report is agreed to by the meeting, they shall proceed to elect or re-elect officers and a committee for the ensuing year; which committee shall meet on the following Monday, and take into their charge all the records, books, papers, and other documents, belonging to the society, and elect their chairman and his deputy from their own body.

15. The committee shall meet on the last Monday in the months of February, May, August, and November; at noon precisely the chair shall be taken by either the chairman or his deputy; but if neither of them be present, the members then met (if sufficient to form a quorum, to consist as hereinafter mentioned) shall immediately elect a chairman for that day: after which, the first thing entered upon shall be the auditing of all the accounts up to the day of meeting, and not until the accounts are gone through, shall any other business be brought forward. If the business of the committee cannot be conveniently got through on that day, the chairman may adjourn the meeting to the following day, or from day to day, until the business be finished. The least number of the committee which can form a quorum shall consist of one trustee, one treasurer, the actuary, or one secretary, one steward, and seven other members. The committee shall enforce a compliance with the rules of the society by every member; and should any member offend, by a non-compliance with the rules of the society, (after a fair examination, and giving him every opportunity to exculpate himself) then, if the majority of the committee think fit, the offending member shall be expelled or fined, as the rules shall point out for the offence; but the committee shall not make a rule to expel any member. The committee shall have the power of calling a general meeting of the society at any time the majority present shall think proper, or upon a written request to the actuary, or in the event of his illness or absence, to one of the secretaries, of any twenty-one members of the society; and any five members of the committee may direct the actuary to call a committee meeting at any time; and at such extraordinary meetings all accounts shall be subject to inspection.

16. The members of this society shall be divided into six classes, and pay into the funds the following subscriptions:—

| <i>Class.</i> | <i>Age.</i> | <i>Entrance.</i> | <i>Quarterly.</i> |
|------------------------------------------------------|---------------------|------------------|-------------------|
| 1st, consisting of persons under 30, shall pay | | 5s..... | 5s. 6d. |
| 2d, | from 30 to 40,..... | 5s..... | 7s. 6d. |
| 3d, | 40 to 50,..... | 5s..... | 10s. 6d. |
| 4th, | 50 to 60,..... | 5s..... | 12s. 6d. |
| 5th, | 60 to 65,..... | 5s..... | 15s. 6d. |
| 6th, | 65 to 70,..... | 5s..... | 17s. 6d. |

and no officer shall be admitted into this society beyond the age of 70, except as an honorary member, who shall be at liberty to attend all general meetings, and give his vote therein, but not to nominate an annuitant. All subscriptions become due and payable, and shall be paid to the stewards of this society, on the days appointed by Government for the payment of naval officers' half-pay at the dock-yard, or within fourteen days after; and every member who does not pay his quarterly subscriptions on the days appointed by this rule, or shall let such number of days pass without his doing so, shall be fined one quarter of the amount of his subscription; if the said quarterly subscription, with the fine thereon, be not paid when the second quarterly subscription shall become due, he shall be fined one half of the amount of such subscription; if the said quarterly subscriptions, with the fines thereon, are not paid when the third quarterly subscription shall become due, he shall be fined three quarters of the amount of such subscriptions; and if the said subscriptions, with the fines thereon, are not paid when the fourth quarterly subscription shall become due, he shall be excluded, except he come within the benefit of the next rule; and no officer's name shall be recorded, nor shall be considered as belonging to this society, until his entrance money and his first quarterly subscription be paid, all subscriptions being payable in advance.

17. Any member of this society who may be absent, or residing out of the United Kingdom, shall provide himself with means to pay his quarterly subscriptions, free of expense to the society; and if any such member shall be one quarter's subscription in arrear, he shall be fined to the amount of one quarter of the subscription then due; if two quarters in arrear, one half the subscription then due; if three quarters in arrear, three fourths of his subscription then due; and if the said subscriptions, with the fines thereon, are not paid when the fourth quarterly subscription shall become due, then he said member shall be placed on the suspension list; and should he die whilst on

that list, his annuitant shall be excluded all benefit from the funds of this society. When any member shall have been three years on the suspension list, he shall be excluded the society; but should a member on that list return before he has been placed on it for three years, and pay his arrears and fines, and the interest due thereon, he shall be considered as a member in all respects, as if he had regularly kept up his quarterly subscriptions. Any member may pay in advance as many quarterly subscriptions as he may think proper; and all persons who may be appointed agents for members, for the payment of their subscriptions, shall have their names inserted on the society's books as such agents.

18. Every member at the time of nominating an annuitant, shall produce to the actuary a certificate of the baptism of himself and his annuitant, or if the same cannot be procured, a declaration of their ages in writing, to the best of such member's knowledge and belief, which shall be lodged with the records of the society. Any member giving a false statement, to elude the fines, shall be expelled the society; and no annuitant shall receive any benefit, should it be proved that a false statement has been so given by the member, with respect to either of their ages; and all sums of money paid by the said member shall be forfeited.

19. An officer belonging to the royal navy, or royal marines, on the 15th day of May, 1822, and not entering the society until three months after, shall produce a certificate from a medical man of his being in good health, satisfactory to the committee; and not entering until six months after the 15th day of August, pay, in addition to the entrance money, six shillings. If he does not enter at the expiration of the said six months, and before the expiration of nine months, he shall pay eight shillings in addition; before the expiration of twelve months, ten shillings; and at the expiration of twelve months, twelve shillings. Should he not enter until the commencement of the second year, and before the close of it, he shall pay one pound; the third year two pounds; the fourth year two pounds ten shillings; the fifth year, three pounds; and after the said five years, the sum to be increased to two pounds ten shillings a year in addition to that of three pounds for five years. And any persons who may in future be promoted into the royal naval or royal marines, and not become members of this society within three months from the date of their promotion, shall not be admitted after that period, without paying the sums above specified, excepting those who may be on foreign stations.

20. If a member of this society should nominate as his annuitant a female more than five years younger than himself, he shall pay an addition sum, agreeably to his class, for the number of years she may be his junior, according to the following table:

| | |
|------------------------------------------------------------------|-------------------|
| 1st class, for 5 years, and each and every year exceeding 5..... | 8s. 6d. per year. |
| 2d..... | 9s. 6d. |
| 3d..... | 11s. 6d. |
| 4th..... | 13s. 6d. |
| 5th..... | 15s. 6d. |
| 6th..... | 16s. 6d. |

but should any member be unable to pay the sums specified in the above table at one time, he is at liberty to do so, by separate payments, of not less than two pounds per quarter, on which, after the first quarter, interest, at the rate of five pounds per cent. per annum, will be charged on the remaining sum. After the 1st of May, 1824, no officer above the age of sixty shall be admitted, unless he pay double subscriptions and entrance money as aforesaid, excepting he may have been out of the United Kingdom; but in the latter case he shall not be eligible for admission after the 1st of May, 1825.

21. No part of the funds accruing to this society from annual subscriptions, donations, fines, or otherwise, shall become divisible or payable, according to the rules of this society, until after the expiration of five years from the formation thereof. In the mean time, such funds, after deducting all necessary and incidental expenses, shall be suffered to accumulate; and four years' receipts of the society shall always remain as an unappropriated fund, which said unappropriated fund, together with its additions, from time to time, shall remain a permanent stock; but the interest thereon may be applied to the current disbursements of the society when necessary.

22. In order to give stability to the capital stock of the society, and to meet the growing demands on its funds, the annual subscriptions shall be divided into twenty equal parts, when the society commences their payments to the annuitants, and the first year's payments shall commence with three twentieths, together with that year's interest on the capital stock of the society, and the remaining seventeen twentieths shall be added to the unappropriated fund; and every year after, the appropriated fund for paying annuitants shall be increased one twentieth, with annual interest on the capital

which, to the end of twenty years from the establishment of this society, and the remaining twentieth shall always be added to such unappropriated fund. At the end of twenty years, the whole of the subscriptions shall be divided between the annuitants, together with the interest of the capital stock of the society; and all sums, fines, and donations, shall be added to the unappropriated funds.

23. All persons who may become claimants on the funds of this society shall be entitled to receive their annuities on the 21st of May in every year, commencing their first payment on the 21st of May, 1823, (the office to be open every day during the remainder of the month, to pay annuities) out of the funds provided for that purpose by the 23d rule, and no other, which said amount shall be equally divided between all the annuitants, provided that such funds appropriated for distribution do not exceed fifty pounds to each claimant, the surplus to be carried to the credit of claimants for future payments. This clause to be observed for the first five years from which the society commences their payments.

24. Every member of this society shall be at liberty to name as his annuitants his wife, children, parents, and sisters. Should a member name a female younger than himself, he shall pay the additional sum in the table of rule 20; should a member name his son as his annuitant, then such son shall only remain on the funds of this society, till he attain the age of twenty-one; but such member shall not be liable to any additional payment; should any member of this society wish to provide for more than one annuitant, he shall be at liberty to do so, on producing a certificate of health satisfactory to the committee, and paying an additional entrance and subscription, with the sums according to rule 20, and so on for every annuitant he may wish to leave on the funds of the society; and should he wish to provide for his annuitant more than one annuity, he shall be at liberty to do so, on producing a certificate of health satisfactory to the committee, and paying additional entrances, subscriptions, and sums not exceeding seven on each annuitant. No female nominee shall be entitled to her annuity during her coverture; but in the event of such annuitant's husband's death, she shall be received as an annuitant on the society as before; and should such husband have been a subscriber, she shall receive double the annuity, and so on for every husband that may have been a subscriber, provided she was so nominated by the husband or husbands, and have complied with the rules, in respect to the five years' payments, &c.—No annuitant shall receive any benefit from this society till all the fines and subscriptions are paid up, agreeably to its rules, which may be due from the deceased member of such annuitant.

25. If a member, having paid his entrance money, and first quarter's subscription, should die, his annuitant, at the termination of the fifth year from the date of nomination, shall be entitled to the annuity, provided such annuitant shall have paid up all subscriptions, sums, and fines, to the end of the fifth year; but if the said annuitant should not be able to continue the quarterly subscriptions, after the demise of such member, then the annuitant shall make a declaration in writing to the actuary to that effect, and the said arrears shall be placed to the said annuitant's account, and at the end of the said five years, the arrears, with the interest due thereon, shall be deducted from the said annuity when it becomes payable.

26. A member of this society having named his nominee, shall have the power to bequeath the benefit arising from the society to any other person he may think proper, such person being entitled according to the rules, during the nominee's life-time, in an unmarried state, should he not wish his nominee to receive such benefit.

27. If any member of this society should die in any quarter of a year on or after the 15th day of February, the 15th day of May, the 15th day of August, or the 15th day of November, his annuitant shall not be entitled to any portion of annuity for that quarter in which he may so die; but if any member should die in any quarter of a year before the 15th day of February, the 15th day of May, the 15th day of August, or the 15th day of November, his annuitant shall be entitled to, and shall receive, the full quarter's annuity for that quarter in which the said member may so die.

28. If a member of this society, having paid by way of subscription any sum of money in advance, should die, the surplus of what he may have paid up to the time of his decease, shall be refunded to his annuitant without interest; but at no other time shall any fines or monies be refunded.

29. Any member of this society, who may marry after becoming a member, shall be at liberty to make his nomination on the class in which he may have so entered, on paying such sums as in rule 20, deducting therefrom such sums of money as he may have paid by subscriptions previous to his marriage, excepting the first five years of such subscriptions, which shall entitle the nominee to the benefits of this society on the death of such member, provided the member has been five years belonging to the

Society, and should be notified of any alteration, and that member continue the subscription, he shall be at liberty to nominate a second annuitant only, on the same class in which he originally entered, paying such sums only as the rules of this society provide for, in respect to the difference in ages at the time of his nomination; but should the member not continue his subscriptions after the death of his annuitant, and should again wish to renew them, then his age will be considered as to the class on which he will re-enter.

30. When any member of this society dies, his annuitant must send a certificate of his demise or burial (post paid) to the actuary, signed by the minister and church warden of the place where the said member's death took place; or should any member die in government employ, an official document of his death shall supersede all other certificates; and when the said annuitant's annuity shall become due, an affidavit must be annually taken before a magistrate, of the annuitant being alive and unmarried, on or before the 9th day of April, together with an order to whom such annuity shall be paid; the receipt of the person so ordered shall in all cases for ever exonerate the trustees, treasurers, actuary, and stewards, for the time being, for the payment of the same. And as the fund appropriated for the payment of annuities is equally divided between all the claimants, those annuitants who do not make good their claims, and furnish the actuary with the necessary documents, on or before the 9th day of April, cannot be admitted, as no arrears will be made good to annuitants at any time. All baptisms, marriages, and deaths, relating to the concerns of the society, shall be proved by such certificates, copies of registers, or other means, as shall be satisfactory to the committee.

31. It is further agreed, that if at any time a dispute should arise between any member of this society, with respect to any matter or thing concerning the same, which these articles do not determine, it shall be settled by arbitration in the following manner:—Two members of this society shall be nominated, one by the majority of the committee, and the other by the person or party aggrieved; these two shall appoint two each, after which the first two persons nominated shall appoint two others, one of the latter being taken by lot; and these seven, or the majority of them, shall determine the matter in dispute. This determination is to be final to all intents and purposes, without appeal to any of his Majesty's courts of justice, or to any magistrate, conformably to the section of an Act of Parliament, passed in the 33d year of his late Majesty's reign, (George III.) entitled "An Act for the relief and encouragement of Friendly Societies." Any person or persons who may consider himself or themselves aggrieved, shall inform the actuary, by a written notice, of his or their wish to have the case settled by arbitration; when the actuary shall appoint the committee to meet, and give notice thereof to the member or members complaining.—If the person or persons aggrieved should not attend at the said meeting, with the members who are to be his or their arbitrators, he or they shall be fined twenty shillings each. If a member of this society should, at any general or committee meeting, bring forward any matter which has been so decided, he shall be fined twenty shillings for the first offence; five pounds for the second offence, and if repeated, he shall be expelled the society.—Any member of this society who may be chosen as an arbitrator, and refuse to act in that capacity, shall be fined twenty shillings, subject however to a decision of the committee.

32. If a member, having monies or other effects in his hands, the property of the society, shall not account for, pay, or deliver the same to the trustees when thereto required, or shall misapply or misuse the same, he shall pay double the sum or value of the property, and be expelled the society; and no member shall detain, withhold, or refuse to give up any books, papers, or other documents belonging to the society, when required so to do by the committee; or major part of them present, under such penalty as the said committee shall determine.

33. If any member of this society shall have commenced his subscription, he shall be at liberty to continue the same, and secure to his annuitant the enjoyment of such benefit, notwithstanding he may have afterwards quitted his Majesty's service.

34. In order that no member may plead ignorance of the intent and meaning of these articles, each member shall subscribe his name to the rules, either by himself or his attorney, lawfully authorized, and take a copy of them at the cost price; and the actuary shall, at the time of the member nominating his or her annuitant, fill up and sign the printed certificate which is attached to the rules, and the production of such certificate by the annuitant, or his or her agent, shall be considered a sufficient voucher of the nominations.

35. The widows of officers of the royal navy and the royal marines, whose husbands were deceased previous to the formation of this institution, and who may become

PUBLISHED BY JOHN MURRAY,
Bookseller to the Admiralty and Board of Longitude,
ALBEMARLE STREET, LONDON.

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (**POST PAID**, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the *Quarterly HALF-PAY LIST* may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.

ADMIRALTY OFFICE.

10th December, 1816.

ABSTRACT of Regulations, on the Subject of Pay, established by the Lords Commissioners of the Admiralty, in obedience to and in pursuance of His late Majesty's Order in Council, dated 25th November, 1816, to commence from the 1st January, 1817.

I.

THE Sea Pay of all Officers and Men of His Majesty's Navy and Royal Marines, as stated in the Table, is a Nett Pay, without addition or deduction of any kind.

II.

In all cases where Personal Pay is now payable, three fourth parts of the new Nett Pay shall be considered as Personal Pay, and shall be payable accordingly, and all Laws, Regulations, or Instructions now existing, concerning Personal Pay, are to be taken and considered to apply to three fourth parts of the new Nett Pay, and those concerning Compensation are to be taken and considered to apply to the remaining one-fourth part of the new Nett Pay, except as may be hereinafter ordered to the contrary.

III.

Flag Officers or Commodores with Captains under them, when commissioned as Commanders-in-Chief, or properly succeeding to such command, shall have a Pay of 3*l*. per diem in lieu of the present Table Money, but this shall be payable only while the Flag or Broad Pendant of the Officer is flying within the actual limits of his station; and on his death or absence shall be paid to the Officer on whom the Command may devolve, provided he be a Flag Officer or a Commodore with a Captain under him.

IV.

Captains who in the death or absence of a Commander-in-Chief are authorized to hoist a distinguishing Pendant, shall receive the Pay of 1*l*. per diem in addition to their Pay as Captains while the Pendant is flying within the limits of the station.

V.

The following Officers shall be permitted to draw Bills for the Amount of three fourths of their Pay, quarterly: Captains, Commanders, Lieutenants-commanding, Surgeons.

VI.

The following Officers shall be permitted to draw the whole of their Pay, quarterly: Flag Officers, Lieutenants not Commanding, Officers of Royal Marines*, Physicians of the Fleet, Masters of the Fleet, Chaplains, Secretaries, Assistant Surgeons†.

* By a subsequent order, dated 19 Feb. 1820, the Royal Marine Officers are to draw their pay at the precise amount of its daily rate, and by the calendar month.

† This only applies to the case of Assistant Surgeons when they are serving with Surgeons. In small Vessels, where there are no Surgeons, the Assistants can only draw for Pay as Surgeons.

VII.

The following Officers shall be permitted to draw the whole of their Pay, half-yearly: Passed Mates, Passed Midshipmen, Secretaries Clerks, Captains Clerks, Schoolmasters.

VIII.

Bills drawn by any Lieutenant of the Ship, Officer of Royal Marines, Master, Chaplain, Secretary, Assistant Surgeon, Clerk, Mate, Midshipman, or Schoolmaster, must be certified by the Purser and approved by the Captain. The Purser shall be held responsible that the said Bill is not for a greater Sum than the Officer had a right to draw for, after any Debt for Slops or Dead Men's Clothes is abated from the Amount of his Wages, for the Period for which the Bill is drawn; and the Captain shall be held responsible, that the Officer so drawing has been borne for Wages during the specified period, and is entitled by these Regulations to draw, and that the Purser has already approved the said Bills.

IX.

Mates and Midshipmen shall be entitled to draw after they shall have passed the Examinations prescribed by the Regulation, of the 22d January, 1816, both at the Naval College, and before Three Captains. And no Captain shall approve the Bill of any Mate or Midshipman, who shall not have produced to him Certificates of his having passed both Examinations; for which purpose a duplicate Certificate is to be given him, at the time of passing.

X.

But as Mates and Midshipmen, who had passed the usual Examination before the 1st March last, or before the Day of the Receipt of the said Regulations on the Foreign Station on which they may be serving, are not by the said Regulations required to pass again at the College; Captains are at liberty to approve the Bills of Mates and Midshipmen, whose Passing Certificates are dated prior to the 1st March last, or to the Day on which the said Regulations were received on the Foreign Station; which date the respective Commanders-in-Chief are to notify herewith to the several Captains.

XI.

The Rates of Pay of Surgeons and Assistant Surgeons, are regulated by His Majesty's Order in Council, of the 23d January, 1805, viz.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station in the following Proportions; *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his

Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, *A. B.* am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Green-

wich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any Party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*
One thousand eight hundred and nineteen, in the Fifty-ninth
Year of His Majesty's Reign.

GOD SAVE THE KING.

SUPPLEMENTARY REGULATIONS RESPECTING CHAPLAINS IN THE NAVY.

Admiralty Office, 2d May, 1820.

HIS MAJESTY having been most graciously pleased, by his Order in Council of the 26th ult., to establish the following regulations respecting Chaplains in the Navy, (in addition to those established by his late Majesty's Orders in Council of the 4th March, 1812, and 4th March 1813,) and the allowance of pensions to their Widows, from the Charity for the Relief of Widows of Commission and Warrant Officers of the Royal Navy, viz.

1st, That there shall be a list of Chaplains kept at the Admiralty-office, in order of seniority; and that no person, whose name is not on that list, shall be considered as a Naval Chaplain.

That the said List shall consist of two parts, the first to be called the "Retired List," upon which those Chaplains shall be placed who have served the full time to entitle them absolutely to the half pay, under the said Orders in Council of the 4th March 1812, and 4th March 1813. or who may, by sickness or accident actually suffered in the service, be rendered incapable of ever again actively serving. The second part to be called the "Active List," upon which all Chaplains shall be placed from the dates of their respective warrants, and upon which they are to continue so long as they shall be in service, or on shore with the concurrence of the Lords Commissioners of the Admiralty.

2nd. That every Chaplain entering His Majesty's service shall understand that he enters not for any particular ship or station, but for general service; and that, if he shall, on any occasion, refuse or neglect to discharge his duty in any ship or situation to which their Lordships may appoint him, he will be removed from the list.

3d. That any Chaplain thus removed from the list shall lose the whole of his previous time of service, and shall not be readmissible to the list of Chaplains, except when, under the peculiar circumstances of the case, their Lordships may authorize such re-admission, and may also allow his previous service to reckon as part of his time.

4th. That Chaplains who are by ill health unable to continue to serve, shall be invalidated or relieved like other officers, and when so invalidated or relieved, shall be placed either on the retired list when entitled thereto, or on the active list when the illness shall appear temporary, and the Chaplain hopes or intends to serve again on his recovery; or if the illness be permanent and the Chaplain be not entitled to any half pay, his name shall be removed from the list altogether.

5th. That no person shall be a confirmed Chaplain in his Majesty's service who shall not be a Clergyman of the United Church of England and Ireland, in priest's orders, and who shall not have produced to their Lordships satisfactory Certificates of his good conduct and fitness for his situation.

6th. That their Lordships may grant an acting order to any clergyman of the United Church of England and Ireland, having only deacon's orders, who shall produce certificates of good conduct, and who shall be bound in reasonable time to take priest's orders, in which case he shall have a regular warrant, and shall be confirmed in the List of Chaplains from the date of his original Acting Order, but if he shall not, when he may have had convenient opportunities, to take priest's orders, he shall be removed from the List, and shall be entitled to no advantage whatsoever from his service beyond his pay and prize-money for the period of his service, except only in case of wound, accident, or sickness, actually incurred in the service, when their Lordships may grant him whatever he would be entitled to if he had been in priest's orders.

7th. That no Widow shall be considered as a Chaplain's Widow unless her husband was in priest's orders, and unless his name was on the List at the time of his death; nor unless she shall have been married during or prior to her husband's service in the Navy, and unless her

husband shall have served three years in sea-going ships, or four years in Guard Ships subsequent to their marriage, and shall in the whole have served the length of time absolutely to entitle him to his Half-Pay; and that all such Pensions shall be paid by the Sea Officers' Widows' Charity, under the same Rules and Regulations as may from time to time apply to the Pensions of other Naval Officers.

8th. That the foregoing limitations shall not apply to the prejudice of the Widow of a Chaplain killed or drowned in the service; nor of a Chaplain's dying while on the Active List, provided their Lordships shall be satisfied that his death was occasioned by disease really contracted in the Naval Service, and that there was no fraud or collusion intended in his marriage, and that his Widow is a fit object for the Widows' Charity; all which being certified by their Lordships to the Court of Assistants, it shall be lawful for them to place such Widow on the Pension List.

9th. That Chaplains on the retired list shall be equally eligible for active service with others, provided they desire it, or provided they have not an absolute right to the half-pay, if the cause of their going on the retired list should have ceased.

My Lords Commissioners of the Admiralty hereby give notice of the said Regulations, for the information of all persons whom they may concern.

By command of their Lordships,

J. W. CROKER.

VICTUALLING OFFICE,

29th April, 1817.

IN consequence of the execution of the duties attached to the MEDICAL BRANCH of the late Transport Department having recently been transferred to this Board, we have to acquaint you, that we do not consider it necessary, under existing circumstances, to require the address of Medical Officers on Half Pay, more than once in each year; and we, therefore, hereby give you notice, that your Quarterly Address will, for the present, be dispensed with; and that in future it will only be incumbent upon you, to transmit the particulars of your residence to this Office, on the 31st day of December in the present, and in each succeeding year; provided, however, you do not change the place of your abode, in which event it will be imperative upon you forthwith to report your removal to this Office, to prevent an immediate stoppage being otherwise necessarily placed against your Half Pay.

We are,

Your very humble Servants,

J. C. SEARLE.

NICHOLAS BROWN.

SIR,

29th May, 1821.

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if each deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

ADMIRALTY OFFICE,

June 22, 1821.

IN order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave ; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordship's leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty. Officers who may not employ an agent may have the public fees on their letters of leave deducted from their Half-pay, on specifying their desire to that effect in the letter asking for the leave.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave ; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America ; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

VICTUALLING-OFFICE,

27th November, 1821.

By the Commissioners for Victualling His Majesty's Navy, and for the Care of Sick and Wounded Seamen.

The Right Honourable the Lords Commissioners of the Admiralty having been pleased at our suggestion, to approve of the names of such Medical Officers of the Royal Navy, as may have graduated at the Universities of Oxford, Cambridge, Edinburgh, or Dublin, or, who having so done at any other University, may be Members of the Royal College of Physicians of London, being accordingly distinguished by the letters M. D. in the Navy List; Notice is hereby given that these Naval Medical Officers who may already possess, or may hereafter obtain, the requisite Degree or License, must produce the same, or a satisfactory Certificate thereof, at this Office, in order that such distinction may be duly noted.

Notice is further given that, in all Appointments in the Medical Department of the Service, a preference will invariably be given, both to Surgeons and Assistants, who may have most distinguished themselves in their professional Studies and Attainments.

(Circular.)

By the Commissioners for Executing the Office of Lord High Admiral of the United Kingdom of Great Britain and Ireland, &c.

Whereas it has been represented to Us, that an opinion prevails with the Masters' Mates and Midshipmen of His Majesty's Ships, that it is not incumbent on them to keep a Log Book after they have passed their examination for Lieutenant, and become entitled to receive their Wages by Bills drawn on the Treasurer of the Navy; We do hereby desire and direct that no Bill, so drawn, be approved by any Captain of His Majesty's Ships, until he shall have seen the Journal kept by the Master's Mate or Midshipman, who shall offer the Bill for approval, for the period to which such Bill shall apply.

Given under our Hands, the 4th March, 1822.

To the respective Captains, Commanders,
and Commanding Officers, of His Ma-
jesty's Ships and Vessels.

The society is denominated the "ROYAL NAVAL ANNUITANT SOCIETY," and its numbers are not limited, but may be increased to the greatest possible extent.

2. The object of the society is to provide a stock or fund for the paying annuities to the widows and children of deceased members, agreeably to the several acts of parliament for the benefit of friendly societies.

3. This society is open to receive as its members the following description of officers, viz.:—flag officers, captains, commanders, lieutenants, masters, surgeons, purser, chaplains, and officers of the royal marines, and their respective widows.

4. The duties of this society are to be conducted by the following number and description of officers, viz.:—a patron, vice-patron, at least twelve presidents, twelve vice-presidents, twelve trustees, four treasurers, and actuary (who is to be considered chief secretary) six secretaries, twelve stewards, and fifty other members, who are to compose a committee of management; and no member of this society is to serve in more than one office at the same time, except the actuary, and a general meeting shall have the power to elect additional presidents and vice-presidents when thought expedient.

5. The patron or vice-patron is to have the power of appointing a special, general, or committee meeting, at any time, by signifying his wish for that purpose, to the committee, who is thereupon to summon such meeting accordingly; and at which, if present, he the said patron, or vice-patron, which ever may have appointed the meeting, shall preside; or in case of his declining to do so, shall furnish any one of the presidents who may be then chosen to preside, with such information as he may be pleased to lay before the meeting. The patron or vice-patron is to be furnished, by the chairman at general meetings, with a correct copy of all reports which may be laid before them, and with every other information which he may be pleased to demand from time to time.

6. Either of the presidents shall have the power to call a general or committee meeting at any time, by notice in writing for that purpose to the actuary, who shall summon it accordingly; and at which, if the patron or vice-patron, be not present, the senior president shall preside. The presidents shall be furnished with reports, and every other information, in like manner with the patron.

7. One of the vice-presidents, in the absence of the patron, vice-patron, and presidents, shall take the chair at all general meetings, agreeably to seniority as a member of this society. The vice-presidents, being members of the society, shall be, when

electd, the twelve senior officers of the highest ranks in the royal navy and royal marine forces.

8. The twelve trustees shall be members of this society, who, or the major part of them present at a meeting for that purpose, shall, from time to time, appoint the treasurers; and in the names of the said trustees all the monies forming the stock of the society, shall be from time to time invested in the savings bank, the public funds, or such other government securities as the said committee, or the major part of them present, shall think proper. The trustees, or the majority of them, by and with the concurrence of the committee present, signified in writing, under their hands, shall and may lay out and invest all such sums of money remaining in the hands of the treasurers, and not required for the immediate use and exigencies of the society, in the public funds or government securities, as the said committee, or the major part of them present, shall direct. And when the three per cent. consols shall fall in value, so as to make them on a par, or nearly so; with the interest given by the savings bank, then the monies of this society shall be transferred from the savings bank to the three per cent. consols, reserving, from time to time, such monies in the savings bank, as the committee shall deem necessary for the exigencies of the society; and no monies from the said three per cents. shall at any time be removed, except by consent of a general meeting, of which not less than ten days' notice shall be given, as hereinafter mentioned. And in case either of the trustees should die, or go to reside beyond seas, or decline, or become incapable of acting in the trusts or powers in him reposed, it shall and may be lawful for the committee of management, or the major part of them present, to nominate or appoint any other fit and proper person (being a member of the said society) to be a trustee, in the room of him so dying, going to reside beyond seas, declining, or becoming incapable of acting as aforesaid; and so on, from time to time, as often as occasion may require.

9. The four treasurers shall be members of this society, and be elected or re-elected annually, by the majority of the trustees present at the anniversary meetings. One of them shall attend to receive all monies from the actuary and stewards, and deposit the same in the savings bank, in the names of the said trustees, within six days after its receipt, or they shall be fined two per cent. on the amount, and so on for every week the sum is detained in their hands beyond that time. They shall draw all monies for paying claimants, and for defraying expenses incurred by the society, on receiving an order in writing from the majority of the committee present, stating the amount necessary, and for what purpose; and shall attend at all meetings for paying claimants, also at general and committee meetings; and at every quarterly meeting their accounts shall be audited.

10. The actuary and chief secretary shall be a member of this society, and shall not be in any other employ, but the whole of his attention shall be given to his duty as actuary, and shall be elected by scrutiny by the majority of votes at a general meeting, and such election shall be considered permanent. His duty is to attend at the quarterly subscription payments with the treasurers and stewards, and to investigate the validity of, and to pay all claims and demands, and to record, in proper books for that purpose, the names and residences of the members, the minutes of all transactions and orders of the society, or the committee hereof; to keep an account of all members' deaths, to register all claimants, the receipts and expenditure of the trustees, treasurers, and stewards, on behalf of the society; to write all letters, and perform all the duties incidental to his office. All expenses incurred by the society in receiving or sending letters, shall be repaid by the person or persons on whose account such expenses were incurred; but should those expenses remain unpaid, the actuary shall be repaid from the society's funds. All books, papers, and documents, belonging to this society, shall be open to the inspection of any Member of the committee, upon giving one day's previous notice in writing, to the actuary, of his desire so to do. The actuary shall not permit any books or accounts belonging to this society, which are kept by him, to be out of his possession, but by order of the committee, or the majority of them present, except in that of the society's auditors, (who are to be appointed by the committee.) The actuary shall attend at all general or committee meetings, and shall draw up, under their directions, the annual report, stating the whole of the pecuniary and other affairs of the institution; shall summon a general meeting of the society, when desired so to do by the committee, always giving ten days' notice of the same in one London daily paper twice, and once only in such provincial paper as the committee may point out from time to time; and shall also send circulars to those members who reside in Devon and Cornwall. He shall also summon, by circulars, a committee meeting, whenever desired by the patron, vice patron, or either of the presidents; or at the desire of any two of the vice-presidents, trustees, treasurers,

stewards, or any five members of the committee, their desire being signified in writing, and for what purpose. The actuary is authorized to receive all monies on account of this society in the intermediate time between the quarterly payments, and he is to enter all new members agreeably to the regulations of the society, and receive such monies as may be paid by the members; and whenever the same amounts to the sum of thirty pounds, he shall pay, within three days, all above the sum of ten pounds into the hands of the treasurers; and at every quarterly meeting his accounts shall be audited. In case the actuary should die, or go to reside beyond seas, or refuse, decline, or become incapable of acting in the trusts or powers in him reposed, it shall and may be lawful for the committee of management, or the majority of them present, to nominate or appoint any other fit and proper person (being a member of the said society) to be the actuary, in the room of him dying, going to reside beyond seas, refusing, declining, or becoming incapable to act as aforesaid, and so on, from time to time, as often as occasion may require. The salary of the actuary to be determined annually by the general meeting, at the recommendation of the committee, or the major part of them present; and he shall become bound in good and sufficient sureties, for the due discharge of his duty, such security to be determined by such committee. And in case of any misconduct on the part of the actuary, he shall be removed from his office, when a majority at a general meeting convened for that purpose, shall so determine; and should he at any time wish to resign, six months' notice in writing of the same shall be given to the committee.

11. The six secretaries shall be members of this society, and be elected or re-elected annually by the majority of the members present at the anniversary meetings. It shall be the duty of two of them to attend at all general and committee meetings, to assist the actuary,

12. The twelve stewards shall be members of this society, and be elected or re-elected annually by the majority of members present at the anniversary meetings. They shall meet at the society's room, in DEVONPORT on the days appointed for the payment of naval officers' half-pay at the dock-yard, and keep the books open from eleven to three o'clock, and on the days of recall, from twelve until two o'clock, to enter all subscriptions received. By twelve o'clock on the second day, after the receipt of all monies belonging to the society, they shall pay the same into the hands of the treasurers, or shall pay a fine of one per cent. on the amount, and the like fine for each and every day the money is detained in their hands beyond that time. They shall minutely investigate the validity of the claims, attend the general and committee meetings, and with the treasurers, assist the actuary in paying all claims and demands. Should any matter come before the treasurers, actuary, and stewards, which these rules do not precisely explain, they shall refer it to the committee, the majority of whom present, shall finally determine the same. Two of the stewards in turn shall attend all meetings, both general and committee; and should either of the two whose duty it is to attend the meetings, neglect so to do, and neither of them be present, they shall be fined five shillings each, unless one of the other stewards act for them. At every quarterly meeting their accounts shall be audited.

13. The fifty other members of the committee shall be members of this society, and be elected or re-elected annually by seriatim, by the members who may be present at the anniversary meetings, and be taken, as nearly as possible, from each rank of officers composing the society, in equal proportions, agreeably to the strength of each rank which may then be on the list of its members; and the chairman, treasurer, secretary, and steward of all branch societies, shall be, *ex-officio*, members of this committee.

14. A general meeting of the society shall be held on the first Monday in the month of July in every year, in the town of DEVONPORT in the county of Devon: at noon precisely the chair shall be taken by the patron, vice-patron, the senior president, or vice-president, then present; but in case of their absence, the members then present shall elect a chairman (for that occasion only), after which the committee of the preceding year shall lay before the meeting a written report, containing a statement of the funds of the society, in what securities they are invested, and the amount of the interest yielded by each security; also the expenses of the society, and for what purpose and in what manner incurred; the number of subscribers on the society, the donations received, the number of subscribers and annuitants who may have died during the year, together with the description of annuitants to be provided for by the society; what members may have been expelled by the committee, and on what grounds; together with every other information respecting the society, which the committee can give. The report which meets the approbation of the meeting shall be printed, under the direction of the actuary, and should any member of the society wish

for a copy, upon signifying such wish in writing to the actuary, on or before the day of meeting, he shall have a copy delivered him by paying for the same, as the only expense of the society shall be for one copy for each of the officers, and one copy for the use of the committees. After the report is agreed to by the meeting, they shall proceed to elect or re-elect officers and a committee for the ensuing year; which committee shall meet on the following Monday, and take into their charge all the records, books, papers, and other documents, belonging to the society, and elect their chairman and his deputy from their own body.

15. The committee shall meet on the last Monday in the months of February, May, August, and November; at noon precisely the chair shall be taken by either the chairman or his deputy; but if neither of them be present, the members then met (if sufficient to form a quorum, to consist as hereinafter mentioned) shall immediately elect a chairman for that day: after which, the first thing entered upon shall be the auditing of all the accounts up to the day of meeting, and not until the accounts are gone through, shall any other business be brought forward. If the business of the committee cannot be conveniently got through on that day, the chairman may adjourn the meeting to the following day, or from day to day, until the business be finished. The least number of the committee which can form a quorum shall consist of one trustee, one treasurer, the actuary, or one secretary, one steward, and seven other members. The committee shall enforce a compliance with the rules of the society by every member; and should any member offend, by a non-compliance with the rules of the society, (after a fair examination, and giving him every opportunity to exculpate himself) then, if the majority of the committee think fit, the offending member shall be expelled or fined, as the rules shall point out for the offence; but the committee shall not make a rule to expel any member. The committee shall have the power of calling a general meeting of the society at any time the majority present shall think proper, or upon a written request to the actuary, or in the event of his illness or absence, to one of the secretaries, of any twenty-one members of the society; and any five members of the committee may direct the actuary to call a committee meeting at any time; and at such extraordinary meetings all accounts shall be subject to inspection.

16. The members of this society shall be divided into six classes, and pay into the funds the following subscriptions:—

| Class. | Age. | Entrance. | Quarterly. |
|------------------------------------------------|---------------------|-----------|------------|
| 1st, consisting of persons under 30, shall pay | | 5s..... | 5s. 0d. |
| 2d, | from 30 to 40,..... | 5s..... | 7s. 6d. |
| 3d, | 40 to 50,..... | 5s..... | 10s. 0d. |
| 4th, | 50 to 60,..... | 5s..... | 12s. 6d. |
| 5th, | 60 to 65,..... | 5s..... | 15s. 0d. |
| 6th, | 65 to 70,..... | 5s..... | 17s. 6d. |

and no officer shall be admitted into this society beyond the age of 70, except as an honorary member, who shall be at liberty to attend all general meetings, and give his vote therein, but not to nominate an annuitant. All subscriptions become due and payable, and shall be paid to the stewards of this society, on the days appointed by Government for the payment of naval officers' half-pay at the dock-yard, or within fourteen days after; and every member who does not pay his quarterly subscriptions on the days appointed by this rule, or shall let such number of days pass without his doing so, shall be fined one quarter of the amount of his subscription; if the said quarterly subscription, with the fine thereon, be not paid when the second quarterly subscription shall become due, he shall be fined one half of the amount of such subscription; if the said quarterly subscriptions, with the fines thereon, are not paid when the third quarterly subscription shall become due, he shall be fined three quarters of the amount of such subscriptions; and if the said subscriptions, with the fines thereon, are not paid when the fourth quarterly subscription shall become due, he shall be excluded, except he come within the benefit of the next rule; and no officer's name shall be recorded, nor shall be considered as belonging to this society, until his entrance money and his first quarterly subscription be paid, all subscriptions being payable in advance.

17. Any member of this society who may be absent, or residing out of the United Kingdom, shall provide himself with means to pay his quarterly subscriptions, free of expense to the society; and if any such member shall be one quarter's subscription in arrear, he shall be fined to the amount of one quarter of the subscription then due; if two quarters in arrear, one half the subscription then due; if three quarters in arrear three fourths of his subscription then due; and if the said subscriptions, with the fines thereon, are not paid when the fourth quarterly subscription shall become due, then he said member shall be placed on the suspension list; and should he die whilst on

that list, his annuitant shall be excluded all benefit from the funds of this society. When any member shall have been three years on the suspension list, he shall be excluded the society; but should a member on that list return before he has been placed on it for three years, and pay his arrears and fines, and the interest due thereon, he shall be considered as a member in all respects, as if he had regularly kept up his quarterly subscriptions. Any member may pay in advance as many quarterly subscriptions as he may think proper; and all persons who may be appointed agents for members, for the payment of their subscriptions, shall have their names inserted on the society's books as such agents.

18. Every member at the time of nominating an annuitant, shall produce to the actuary a certificate of the baptism of himself and his annuitant, or if the same cannot be procured, a declaration of their ages in writing, to the best of such member's knowledge and belief, which shall be lodged with the records of the society. Any member giving a false statement, to elude the fines, shall be expelled the society; and no annuitant shall receive any benefit, should it be proved that a false statement has been so given by the member, with respect to either of their ages; and all sums of money paid by the said member shall be forfeited.

19. An officer belonging to the royal navy, or royal marines, on the 15th day of May, 1823, and not entering the society until three months after, shall produce a certificate from a medical man of his being in good health, satisfactory to the committee; and not entering until six months after the 15th day of August, pay, in addition to the entrance money, six shillings. If he does not enter at the expiration of the said six months, and before the expiration of nine months, he shall pay eight shillings in addition; before the expiration of twelve months, ten shillings; and at the expiration of twelve months, twelve shillings. Should he not enter until the commencement of the second year, and before the close of it, he shall pay one pound; the third year two pounds; the fourth year two pounds ten shillings; the fifth year, three pounds; and after the said five years, the sum to be increased to two pounds ten shillings a year in addition to that of three pounds for five years. And any persons who may in future be promoted into the royal naval or royal marines, and not become members of this society within three months from the date of their promotion, shall not be admitted after that period, without paying the sums above specified, excepting those who may be on foreign stations.

20. If a member of this society should nominate as his annuitant a female more than five years younger than himself, he shall pay an addition sum, agreeably to his class, for the number of years she may be his junior, according to the following table:

| | |
|------------------------------------------------------------------------|-------------------|
| 1st class, for 5 years, and each and every year exceeding 5, | 8s. 0d. per year. |
| 2d. | 9s. 6d. |
| 3d. | 11s. 0d. |
| 4th | 13s. 6d. |
| 5th | 15s. 0d. |
| 6th | 16s. 0d. |

but should any member be unable to pay the sums specified in the above table at one time, he is at liberty to do so, by separate payments, of not less than two pounds per quarter, on which, after the first quarter, interest, at the rate of five pounds per cent. per annum, will be charged on the remaining sum. After the 1st of May, 1824, no officer above the age of sixty shall be admitted, unless he pay double subscriptions and entrance monies as aforesaid, excepting he may have been out of the United Kingdom; but in the latter case he shall not be eligible for admission after the 1st of May, 1826.

21. No part of the funds accruing to this society from annual subscriptions, donations, fines, or otherwise, shall become divisible or payable, according to the rules of this society, until after the expiration of five years from the formation thereof. In the mean time, such funds, after deducting all necessary and incidental expenses, shall be suffered to accumulate; and four years' receipts of the society shall always remain as an unappropriated fund, which said unappropriated fund, together with its additions, from time to time, shall remain a permanent stock; but the interest thereon may be applied to the current disbursements of the society when necessary.

22. In order to give stability to the capital stock of the society, and to meet the growing demands on its funds, the annual subscriptions shall be divided into twenty equal parts, when the society commence their payments to the annuitants, and the first year's payments shall commence with three twentieths, together with that year's interest on the capital stock of the society, and the remaining seventeen twentieths shall be added to the unappropriated fund; and every year after, the appropriated fund for paying annuities shall be increased one twentieth with annual interest on the capital

stock, to the end of twenty years from the establishment of this society, and the remaining twentieths shall always be added to such unappropriated fund. At the end of twenty years, the whole of the subscriptions shall be divided between the annuitants, together with the interest of the capital stock of the society; and all sums, fines, and donations, shall be added to the unappropriated funds.

23. All persons who may become claimants on the funds of this society shall be entitled to receive their annuities on the 21st of May in every year, commencing their first payment on the 21st of May, 1828, (the office to be open every day during the remainder of the month, to pay annuities) out of the funds provided for that purpose by the 22d rule, and no other, which said amount shall be equally divided between all the annuitants, provided that such funds appropriated for distribution do not exceed fifty pounds to each claimant, the surplus to be carried to the credit of claimants for future payments. This clause to be observed for the first five years from which the society commence their payments.

24. Every member of this society shall be at liberty to name as his annuitant his wife, children, parents, and sisters. Should a member name a female younger than himself, he shall pay the additional sum in the table of rule 20; should a member name his son as his annuitant, then such son shall only remain on the funds of this society, till he attain the age of twenty-one; but such member shall not be liable to any additional payment; should any member of this society wish to provide for more than one annuitant, he shall be at liberty to do so, on producing a certificate of health satisfactory to the committee, and paying an additional entrance and subscription, with the sums according to rule 20, and so on for every annuitant he may wish to leave on the funds of the society; and should he wish to provide for his annuitant more than one annuity, he shall be at liberty to do so, on producing a certificate of health satisfactory to the committee, and paying additional entrances, subscriptions, and sums not exceeding seven on each annuitant. No female nominee shall be entitled to her annuity during her coverture; but in the event of such annuitant's husband's death, she shall be received as an annuitant on the society as before; and should such husband have been a subscriber, she shall receive double the annuity, and so on for every husband that may have been a subscriber, provided she was so nominated by the husband or husbands, and have complied with the rules, in respect to the five years' payments, &c.—No annuitant shall receive any benefit from this society till all the fines and subscriptions are paid up, agreeably to its rules, which may be due from the deceased member of such annuitant.

25. If a member, having paid his entrance money, and first quarter's subscription, should die, his annuitant, at the termination of the fifth year from the date of nomination, shall be entitled to the annuity, provided such annuitant shall have paid up all subscriptions, sums, and fines, to the end of the fifth year; but if the said annuitant should not be able to continue the quarterly subscriptions after the demise of such member, then the annuitant shall make a declaration in writing to the actuary to that effect, and the said arrears shall be placed to the said annuitant's account, and at the end of the said five years, the arrears, with the interest due thereon, shall be deducted from the said annuity when it becomes payable.

26. A member of this society having named his nominee, shall have the power to bequeath the benefit arising from the society to any other person he may think proper, such person being entitled according to the rules, during the nominee's life-time, in an unmarried state, should he not wish his nominee to receive such benefit.

27. If any member of this society should die in any quarter of a year on or after the 15th day of February, the 15th day of May, the 15th day of August, or the 15th day of November, his annuitant shall not be entitled to any portion of annuity for that quarter in which he may so die; but if any member should die in any quarter of a year before the 15th day of February, the 15th day of May, the 15th day of August, or the 15th day of November, his annuitant shall be entitled to, and shall receive, the full quarter's annuity for that quarter in which the said member may so die.

28. If a member of this society, having paid by way of subscription any sum of money in advance, should die, the surplus of what he may have paid up to the time of his decease, shall be refunded to his annuitant without interest; but at no other time shall any fines or monies be refunded.

29. Any member of this society, who may marry after becoming a member, shall be at liberty to make his nomination on the class in which he may have to entered, on paying such sums as in rule 20, deducting therefrom such sums of money as he may have paid by subscriptions previous to his marriage, excepting the first five years of such subscriptions, which shall entitle the nominee to the benefits of this society on the death of such member, provided the member has been five years belonging to the

Society; and should the nominee of any member die, and that member continue his subscription, he shall be at liberty to nominate a second annuitant only, on the same class in which he originally entered, paying such sums only as the rules of this society provide for, in respect to the difference in ages at the time of his nomination; but should the member not continue his subscriptions after the death of his nominee, and should again wish to renew them, then his age will be considered as to the class on which he will re-enter.

30. When any member of this society dies, his annuitant must send a certificate of his demise or burial (post paid) to the actuary, signed by the minister and churchwardens of the place where the said member's death took place; or should any member die in government employ, an official document of his death shall supersede all other certificates; and when the said annuitant's annuity shall become due, an affidavit must be annually taken before a magistrate, of the annuitant being alive and unmarried, on or before the 9th day of April, together with an order to whom such annuity shall be paid; the receipt of the person so ordered shall in all cases for ever exonerate the trustees, treasurers, actuary, and stewards, for the time being, for the payment of the same. And as the fund appropriated for the payment of annuitants is equally divided between all the claimants, those annuitants who do not make good their claims, and furnish the actuary with the necessary documents, on or before the 9th day of April, cannot be admitted, as no arrears will be made good to annuitants at any time. All baptisms, marriages, and deaths, relating to the concerns of the society, shall be proved by such certificates, copies of registers, or other means, as shall be satisfactory to the committee.

31. It is further agreed, that if at any time a dispute should arise between any member of this society, with respect to any matter or thing concerning the same, which these articles do not determine, it shall be settled by arbitration in the following manner:—Two members of this society shall be nominated, one by the majority of the committee, and the other by the person or party aggrieved; these two shall appoint two each, after which the first two persons nominated shall appoint two others, one of the latter being taken by lot; and these seven, or the majority of them, shall determine the matter in dispute. This determination is to be final to all intents and purposes, without appeal to any of his Majesty's courts of justice, or to any magistrate, conformably to the section of an Act of Parliament, passed in the 33d year of his late Majesty's reign, (George III.) entitled "An Act for the relief and encouragement of Friendly Societies." Any person or persons who may consider himself or themselves aggrieved, shall inform the actuary, by a written notice, of his or their wish to have the case settled by arbitration; when the actuary shall appoint the committee to meet, and give notice thereof to the member or members complaining. —If the person or persons aggrieved should not attend at the said meeting, with the members who are to be his or their arbitrators, he or they shall be fined twenty shillings each. If a member of this society should, at any general or committee meeting, bring forward any matter which has been so decided, he shall be fined twenty shillings for the first offence, five pounds for the second offence, and if repeated, he shall be expelled the society. Any member of this society who may be chosen as an arbitrator, and refuse to act in that capacity, shall be fined twenty shillings, subject, however, to a decision of the committee.

32. If a member, having monies or other effects in his hands, the property of the society, shall not account for, pay, or deliver the same to the trustees when thereto required, or shall misapply or misuse the same, he shall pay double the sum or value of the property, and be expelled the society; and no member shall detain, withhold, or refuse to give up, any books, papers, or other documents belonging to the society, when required so to do by the committee, or major part of them present, under such penalty as the said committee shall determine.

33. If any member of this society shall have commenced his subscription; he shall be at liberty to continue the same, and secure to his annuitant the enjoyment of such benefit, notwithstanding he may have afterwards quitted his Majesty's service.

34. In order that no member may stand ignorant of the latest and meaning of these articles, each member shall subscribe his name to the rules, either by himself or his attorney, lawfully authorized, and take a copy of them at the cost price; and the actuary shall, at the time of the member nominating his or her annuitant, fill up and sign the printed certificate which is attached to the rules, and the production of such certificate by the annuitant, or his or her agent, shall be considered a sufficient voucher of the nominations.

35. The widows of officers of the royal navy and the royal marines, whose husbands were deceased previous to the formation of this institution, and who may become

widows previous to the 1st of July, 1824, shall be allowed to make provision, agreeably to the rules of this society, for their children, being the children of officers, who from their rank might have been admitted as members of this society, provided the widows of such officers do not exceed the age of sixty; and all widows of officers, under such age, members of this society, shall be at all times eligible to make provision for the child or children of such members, but shall not be allowed to attend any general or committee meetings; and all such widows entering this institution, shall produce an attested certificate of good health from a medical man.

36. The rent for the society's rooms, purchase of stationery, postages, and other incidental expenses, shall be paid out of the funds of the society; but no charge for any articles purchased shall be allowed in the account, unless, before the purchase thereof, the same shall have been regularly proposed to the committee, and entered on their minute-book; and the expenses for a committee-room, stationery, postages, advertisements, and incidental expenses, incurred by all branch meetings connected with the society, whose numbers on each quarterly return amount to fifty members, shall be allowed by the committee of the parent society (on the bills of such expenses being laid before them, and approved,) signed by the chairman, and countersigned by the secretary of such branch society; and all other branch society meetings, whose numbers amount to twenty, and under fifty members, shall have their expenses of postages and stationery only allowed, on approval of the committee of the parent society, on the bills being transmitted, signed and countersigned in like manner.

37. Previous to any alteration of these rules and regulations, timely notice of the same shall be sent to all the branches of the society whose numbers amount to twenty and upwards, in order that the sense of their views of the proposed alteration may be made known to the parent society, at the general meeting convened for that purpose.

38. That the more effectually to afford legal redress for the non-performance, by any member, or subscriber hereto, of any rule, article, stipulation, or agreement, contained herein, each and every member and person who shall subscribe his or her name hereto, doth promise and agree, with and to Henry Richard Glynn, John Pasco, William Bowden Mends, Richard Creyke, Palms Westropp, John Thicknesse, William Price, Peter Welsford, Edward Scott, John Page Bailey, John Clyde, and Christopher Birdwood, or any two of them, parties hereto, and the executors and administrators of the survivors of them, that he and she shall and will observe, perform, fulfil, and keep, all and singular, the rules, articles, stipulations, and agreements, on his and her part and behalf, to be done, observed, performed, fulfilled, and kept; and that in case he or she shall commit any breach or non-observance of the said rules, articles, stipulations, and agreements, before written, or any of them, it shall and may be lawful for the said Henry Richard Glynn, John Pasco, William Bowen Mends, Richard Creyke, Palms Westropp, John Thicknesse, William Price, Peter Welsford, Edward Scott, John Page Bailey, John Clyde, and Christopher Birdwood, or any two of them, and the survivors of them, and the executors or administrators of such survivors, to recover damages for the breach hereof, in an action or actions at law.

We have examined the foregoing rules and orders of the Royal Naval Annuitant Society, and are of opinion that they may be safely adopted.

PUBLISHED BY JOHN MURRAY,
Bookseller to the Admiralty and Board of Longitude,
ALBEMARLE STREET, LONDON.

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (**POST PAID**, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the Quarterly **HALF-PAY LIST** may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be

under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight *per Centum*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on Account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso herein-after mentioned; One Fourth to the Admiral or Admirals, if more than One on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the Use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station in the following Proportions, *viz.*

—If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his

Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, *A. B.* am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Green-

wich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any Party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of July
One thousand eight hundred and nineteen, in the Fifty-ninth
Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

SIR,

29th May, 1821.

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the seene of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER,

ADMIRALTY OFFICE,

July 1st, 1824.

THE King having been pleased, by his Order in Council of the 23d June, to establish a new and improved Scale for Victualling His Majesty's Navy, a Copy thereof is subjoined.

There shall be allowed to every Person serving in His Majesty's Ships, the following Daily Quantities of Provisions, viz.—

| | |
|-----------------|----------------------|
| Bread..... | One Pound, |
| Beer | One Gallon, |
| Cocoa | One Ounce, |
| Sugar | One and Half Ounce, |
| Fresh Meat..... | One Pound, |
| Vegetables..... | Half Pound, |
| Tea | Quarter of an Ounce. |

When Fresh Meat and Vegetables are not issued, there shall be allowed in lieu thereof

| | | |
|--------------------|---------------------|----------------|
| Salt Beef | $\frac{1}{2}$ lb. | } Alternately. |
| and Flour | $\frac{1}{2}$ lb. | |
| Salt Pork | $\frac{1}{2}$ lb. | } Alternately. |
| and Pease..... | $\frac{1}{2}$ pint. | |

And Weekly, whether Fresh or Salt Meat is issued, Oatmeal Half Pint, Vinegar Half Pint.

On the days on which the Flour is ordered to be issued, Suet and Raisins, or Currants, may be substituted for a portion of Flour, at the following Rate.

| | |
|--------------------------------------------------------------------|--------|
| One Pound of Raisins being considered equal to One Pound of Flour. | |
| Half Pound of Currants } | ditto |
| Half Pound of Suet } | ditto. |

In case it should be found necessary to alter any of the above species of Provisions, and to issue others as their Substitutes, it is to be observed that

| | |
|-----------------------------------------|--------------------------------------------------|
| 1 $\frac{1}{2}$ lb. of Soft Bread, or } | } is to be considered equal to 1 lb. of Biscuit. |
| 1 lb. of Rice, or | |
| 1 lb. of Flour | |
| 1 pint of Wine, or } | } is to be considered equal to a Gallon of Beer. |
| $\frac{1}{2}$ pint of Spirits | |
| 1 oz. of Coffee, or } | } is to be considered equal to 1 oz. of Cocoa. |
| $\frac{1}{2}$ oz. of Tea | |
| 1 lb. of Rice, or..... } | } is to be considered equal to 1 pint of Peas. |
| 1 pint of Calavances, or } | |
| 1 pint of Dholl | |

1 lb. of Butter is to be considered equal to 1 lb. of Sugar.
 2 lbs. of Cheese are to be considered equal to 1 lb. of Cocoa.
 $\frac{1}{4}$ lb. of Onions, or of Leeks, is to be considered equal to 1 lb. of other vegetables.

Flag Officers, Captains and other Commanding Officers, will observe in the above Scale, and will fully explain to the Ships Companies under their orders, the advantages of this new system, viz., that what were called *banyan days* are abolished; that Meat, with Vegetables, Flour, or Pease, is to be issued every Day; that Flour, instead of being exchanged for a portion of Beef, will now become an article of the Men's regular Allowance, and that a quantity of Tea or Coffee, sufficient to make a Pint of liquid, will be issued every Evening.

It will be observed in the Table of Substitutes, that the quantity of Spirits to be issued in lieu of Beer or Wine is diminished One Half; but, in addition to the Pint of Tea or Coffee allowed in part compensation for this diminution of Spirits, His Majesty has been graciously pleased, in further and full compensation, to add Two Shillings per Month to the Pay of such Warrant Officers as do not rank with Lieutenants, and of each Petty and Non-commissioned Officer, Seaman, Marine, and Boy. As the diminution of Spirits only takes place when Beer and Wine are not issued, while the addition of Tea or Coffee and the increased Pay are permanent, it will be obvious how much this regulation is to the pecuniary advantage and comfort of the Ships' Companies, while it is confidently expected that the diminution in the article of Spirits will conduce to the Health of the People, and the good order and discipline of the Ships.

In addition to these advantages, it is intended that a certain portion of the Pay which may be due to each Warrant and Petty Officer (not allowed to draw Bills), and to each Non-commissioned Officer, Seaman, Marine, and Boy, who may be desirous of receiving it, shall be issued to them when in any Port abroad or at home, at the expiration of every One, Two, or Three Months, as the Captain may judge expedient, by way of Pocket Money, viz., Four Shillings per Month to Warrant, Petty, and Non-commissioned Officers, Seamen and Marines, and Two Shillings to each Boy; but as the carrying the arrangement into full effect will require the sanction of the Legislature it is intended to submit a Bill to Parliament, early in the next Session, to authorize it; and in the mean while, in order to carry the same principle into effect as far as is at present practicable, the additional Two Shillings, now added to the Pay as compensation for part of the Spirits, will be paid to the before-mentioned classes, in the same way that *Short Allowance Money* is now paid.

The Lords Commissioners of the Admiralty, in communicating to the Fleet the gracious and beneficent intentions of The King, are satisfied that they will be received by the Officers and Men, as additional marks of His Majesty's favour, and as real and substantial improvements to the condition of the Petty and Non-commissioned Officers and Men.

By Command of their Lordships,

J. W. CROKER.

ADMIRALTY-OFFICE,

July 1st, 1824.

HIS MAJESTY has been pleased, with a view to encourage and improve the Class of Persons intended to rise to the situation of Masters in the Royal Navy, to direct that a Class of Young Gentlemen intended for this Line shall be established under the title of *Volunteers of the Second Class*, ranking immediately after Volunteers of the First Class, with a Pay of £1 12s. per Mensem.

As it is intended that these Volunteers should be Persons of Education and attainments in such branches of Science as are connected with Navigation, Boys brought up at Christ's Hospital, or the Upper School of Greenwich, are to be considered as at once eligible to this Class, and Captains and Commanding Officers are authorized to appoint any such Boys to this rating.

If, however, any other Boys should offer for these situations, of adequate acquirements and abilities, the Captain or Commanding Officer will state the Name, Birth, Age, and Education of such Boy to the Secretary of the Admiralty, for their Lordship's sanction to his entry as a Volunteer of the Second Class.

His Majesty has been further pleased, in the same view, to establish a superior Class of Petty Officers, under the name of *Masters' Assistants*, to rank immediately after the Midshipmen with a Monthly Pay of £3 11s.

These Officers are to be nominated by the respective Captains (except where the Lords Commissioners of the Admiralty may give special directions,) from the number of Volunteers of the Second Class, who may have served Two Years as such, or from any other Class, if the Person have the necessary information and acquirements, and shall have served in the Navy Three Years; but in case of any selection not made from the Volunteers of the First or Second Classes, or Midshipmen, the special case with the Name, Birth, Age, and Qualification of the Party is to be reported to the Secretary of the Admiralty.

Volunteers of the Second Class, and Masters' Assistants, are to be considered on the footing of Young Gentlemen, and to mess with the Volunteers of the First Class, Midshipmen, Mates, &c.

If any Master's Mates, Midshipmen, or Volunteers of the First Class, now serving in the Fleet, should be desirous of being rated as Volunteers of the Second Class, or as Assistant Masters, the Captains and Commanding Officers are authorized so to rate them, agreeably to their respective Services and Qualifications; but Young Gentlemen entering into these Classes must observe that (although their pay be greater respectively than that of Volunteers of the First Class of Midshipmen), their promotion will (except in extraordinary cases) be confined to the line of Masters.

PUBLISHED BY JOHN MURRAY,
Bookseller to the Admiralty and Board of Longitude,
ALBEMARLE STREET, LONDON.

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (**POST PAID**, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the Quarterly **HALF-PAY LIST** may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Cartridges actually carried—and not according to the erroneous Denominations which had hitherto grown into use.

ADMIRALTY OFFICE.

10th December, 1816.

ABSTRACT of Regulations, on the Subject of Pay, established by the Lords Commissioners of the Admiralty, in obedience to and in pursuance of His late Majesty's Order in Council, dated 25th November, 1816, to commence from the 1st January, 1817.

I.

THE Sea Pay of all Officers and Men of His Majesty's Navy and Royal Marines, as stated in the Table, is a Nett Pay, without addition or deduction of any kind.

II.

In all cases where Personal Pay is now payable, three fourth parts of the new Nett Pay shall be considered as Personal Pay, and shall be payable accordingly, and all Laws, Regulations, or Instructions now existing, concerning Personal Pay, are to be taken and considered to apply to three fourth parts of the new Nett Pay, and those concerning Compensation are to be taken and considered to apply to the remaining one-fourth part of the new Nett Pay, except as may be hereinafter ordered to the contrary.

III.

Flag Officers or Commodores with Captains under them, when commissioned as Commanders-in-Chief, or properly succeeding to such command, shall have a Pay of 3*l.* per diem in lieu of the present Table Money, but this shall be payable only while the Flag or Broad Pendant of the Officer is flying within the actual limits of his station; and on his death or absence shall be paid to the Officer on whom the Command may devolve, provided he be a Flag Officer or a Commodore with a Captain under him.

IV.

Captains who in the death or absence of a Commander-in-Chief are authorized to hoist a distinguishing Pendant, shall receive the Pay of 1*l.* per diem in addition to their Pay as Captains while the Pendant is flying within the limits of the station.

V.

The following Officers shall be permitted to draw Bills for the Amount of three fourths of their Pay, quarterly: Captains, Commanders, Lieutenants commanding, Surgeons.

VI.

The following Officers shall be permitted to draw the whole of their Pay, quarterly: Flag Officers, Lieutenants not Commanding, Officers of Royal Marines*, Physicians of the Fleet, Masters of the Fleet, Chaplains, Secretaries, Assistant Surgeons†.

* By a subsequent order, dated 19 Feb. 1820, the Royal Marine Officers are to draw their pay at the precise amount of its daily rate, and by the calendar month.

† This only applies to the case of Assistant Surgeons, when they are serving with Surgeons. In small Vessels, where there are no Surgeons, the Assistants can only draw for Pay as Surgeons.

VII.

The following Officers shall be permitted to draw the whole of their Pay, half-yearly : Passed Mates, Passed Midshipmen, Secretaries Clerks, Captains Clerks, Schoolmasters.

VIII.

Bills drawn by any Lieutenant of the Ship, Officer of Royal Marines, Master, Chaplain, Secretary, Assistant Surgeon, Clerk, Mate, Midshipman, or Schoolmaster, must be certified by the Purser and approved by the Captain. The Purser shall be held responsible that the said Bill is not for a greater Sum than the Officer had a right to draw for, after any Debt for Slops or Dead Men's Clothes is abated from the Amount of his Wages, for the Period for which the Bill is drawn; and the Captain shall be held responsible, that the Officer so drawing has been borne for Wages during the specified period, and is entitled by these Regulations to draw, and that the Purser has already approved the said Bills.

IX.

Mates and Midshipmen shall be entitled to draw after they shall have passed the Examinations prescribed by the Regulation of the 22d January, 1816, both at the Naval College, and before Three Captains. And no Captain shall approve the Bill of any Mate or Midshipman, who shall not have produced to him Certificates of his having passed both Examinations; for which purpose a duplicate Certificate is to be given him, at the time of passing.

X.

But as Mates and Midshipmen, who had passed the usual Examination before the 1st March last, or before the Day of the Receipt of the said Regulations on the Foreign Station on which they may be serving, are not by the said Regulations required to pass again at the College; Captains are at liberty to approve the Bills of Mates and Midshipmen, whose Passing Certificates are dated prior to the 1st March last, or to the Day on which the said Regulations were received on the Foreign Station; which date the respective Commanders-in-Chief are to notify herewith to the several Captains:

B.* am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein-before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Green-

wich Hospital, and to the Secretary of the Admiralty, a Return of Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itinere* among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any Party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of July One thousand eight hundred and nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

SUPPLEMENTARY REGULATIONS RESPECTING CHAPLAINS IN THE NAVY.

Admiralty Office, 2d May, 1820.

HIS MAJESTY having been most graciously pleased, by his Order in Council of the 26th ult., to establish the following regulations respecting Chaplains in the Navy, (in addition to those established by his late Majesty's Orders in Council of the 4th March, 1812, and 4th March, 1813,) and the allowance of pensions to their Widows, from the Charity for the Relief of Widows of Commission and Warrant Officers of the Royal Navy, *viz.*

1st, That there shall be a list of Chaplains kept at the Admiralty-office, in order of seniority; and that no person, whose name is not on that list, shall be considered as a Naval Chaplain.

That the said List shall consist of two parts, the first to be called the "Retired List," upon which those Chaplains shall be placed who have served the full time to entitle them absolutely to the half pay under the said Orders in Council of the 4th March 1812, and 4th March 1813, or who may, by sickness or accident actually suffered in the service, be rendered incapable of ever again actively serving. The second part to be called the "Active List," upon which all Chaplains shall be placed from the dates of their respective warrants, and upon which they are to continue so long as they shall be in service, or on shore with the concurrence of the Lords Commissioners of the Admiralty.

2d. That every Chaplain entering His Majesty's service shall understand that he enters not for any particular ship or station, but for general service; and that, if he shall, on any occasion, refuse or neglect to discharge his duty in any ship or situation to which their Lordships may appoint him, he will be removed from the list.

3d. That any Chaplain thus removed from the list shall lose the whole of his previous time of service, and shall not be readmissible to the list of Chaplains, except when, under the peculiar circumstances of the case, their Lordships may authorize such re-admission, and may also allow his previous service to reckon as part of his time.

4th. That Chaplains who are by ill health unable to continue to serve, shall be invalided or relieved like other officers, and when so invalided or relieved, shall be placed either on the retired list when entitled thereto, or on the active list when the illness shall appear temporary, and the Chaplain hopes or intends to serve again on his recovery, or if the illness be permanent and the Chaplain be not entitled to any half pay, his name shall be removed from the list altogether.

5th. That no person shall be a confirmed Chaplain in his Majesty's Service who shall not be a Clergyman of the United Church of England and Ireland, in priest's orders, and who shall not have produced to their Lordships satisfactory Certificates of his good conduct and fitness for his situation.

6th. That their Lordships may grant an acting order to any clergyman of the United Church of England and Ireland, having only deacon's orders, who shall produce certificates of good conduct, and who shall be bound in reasonable time to take priest's orders, in which case he shall have a regular warrant, and shall be confirmed on the List of Chaplains from the date of his original Acting Order. But if he shall not, when he may have had convenient opportunities take priest's orders, he shall be removed from the List, and shall be entitled to no advantage whatsoever from his service beyond his pay and prize-money for the period of his service, except only in case of wound, accident, or sickness, actually incurred in the service, when their Lordships may grant him whatever he would be entitled to if he had been in priest's orders.

7th. That no Widow shall be considered as a Chaplain's Widow unless her husband was in priest's orders, and unless his name was on the List at the time of his death; nor unless she shall have been married during or prior to her husband's service in the Navy, and unless he

husband shall have served three years in sea-going ships, or four years in Guard Ships subsequent to their marriage, and shall in the whole have served the length of time absolutely to entitle him to his Half-Pay; and that all such Pensions shall be paid by the Sea Officers' Widows' Charity, under the same Rules and Regulations as may from time to time apply to the Pensions of other Naval Officers.

8th. That the foregoing limitations shall not apply to the prejudice of the Widow of a Chaplain killed or drowned in the service; nor of a Chaplain's dying while on the Active List, provided their Lordships shall be satisfied that his death was occasioned by disease really contracted in the Naval Service, and that there was no fraud or collusion intended in his marriage, and that his Widow is a fit object for the Widows' Charity; all which being certified by their Lordships to the Court of Assistants, it shall be lawful for them to place such Widow on the Pension List.

9th. That Chaplains on the retired list shall be equally eligible for active service with others, provided they desire it, or provided they have not an absolute right to the half-pay, if the cause of their going on the retired list should have ceased.

My Lords Commissioners of the Admiralty hereby give notice of the said Regulations, for the information of all persons whom they may concern.

By command of their Lordships,

J. W. CROKER.

VICTUALLING OFFICE,
29th April, 1817.

IN consequence of the execution of the duties attached to the MEDICAL BRANCH of the late Transport Department having recently been transferred to this Board, we have to acquaint you, that we do not consider it necessary, under existing circumstances, to require the address of Medical Officers on Half Pay, more than once in each year; and we, therefore, hereby give you notice, that your Quarterly Address will, for the present, be dispensed with; and that in future it will only be incumbent upon you, to transmit the particulars of your residence to this Office, on the 31st day of December in the present, and in each succeeding year; provided, however, you do not change the place of your abode, in which event it will be imperative upon you forthwith to report your removal to this Office, to prevent an immediate stoppage being otherwise necessarily placed against your Half Pay.

We are,

Your very humble Servants,

J. C. SEARLE.

NICHOLAS BROWN.

J. WEIR.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

29th May, 1821.

SIR,

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such *deposit*, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

ADMIRALTY OFFICE,

June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave ; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordship's leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty. Officers who may not employ an agent may have the public fees on their letters of leave deducted from their Half-pay, on specifying their desire to that effect in the letter asking for the leave.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave ; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America ; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

VICTUALLING-OFFICE,

27th November, 1821.

By the Commissioners for Victualling His Majesty's Navy, and for the Care of Sick and Wounded Seamen.

The Right Honourable the Lords Commissioners of the Admiralty having been pleased at our suggestion, to approve of the names of such Medical Officers of the Royal Navy, as may have graduated at the Universities of Oxford, Cambridge, Edinburgh, or Dublin, or, who having so done at any other University, may be Members of the Royal College of Physicians of London, being accordingly distinguished by the letters M. D. in the Navy List; Notice is hereby given that those Naval Medical Officers who may already possess, or may hereafter obtain, the requisite Degree or License, must produce the same, or a satisfactory Certificate thereof, at this Office, in order that such distinction may be duly noted.

Notice is further given that, in all Appointments in the Medical Department of the Service, a preference will invariably be given, both to Surgeons and Assistants, who may have most distinguished themselves in their professional Studies and Attainments.

THE society is denominated the "ROYAL NAVAL ANNUITANT SOCIETY," and its numbers are not limited, but may be increased to the greatest possible extent.

2. The object of the society is to provide a stock or fund for the paying annuities to the widows and children of deceased members, agreeably to the several acts of parliament for the benefit of friendly societies.

3. This society is open to receive as its members the following description of officers, viz.:—flag officers, captains, commanders, lieutenants, masters, surgeons, pursers, chaplains, and officers of the royal marines, and their respective widows.

4. The duties of this society are to be conducted by the following number and description of officers, viz.:—a patron, vice-patron, at least twelve presidents, twelve vice-presidents, twelve trustees, four treasurers, an actuary (who is to be considered chief secretary) six secretaries, twelve stewards, and fifty other members, who are to compose a committee of management; and no member of this society is to serve in more than one office at the same time, except the actuary, and a general meeting shall have the power to elect additional presidents and vice-presidents when thought expedient.

5. The patron or vice-patron is to have the power of appointing a special, general, or committee meeting, at any time, by signifying his wish for that purpose to the committee, who is thereupon to summon such meeting accordingly; and at which, if present, he, the said patron, or vice-patron, which ever may have appointed the meeting, shall preside; or in case of his declining to do so, shall furnish any one of the presidents who may be then chosen to preside, with such information as he may be pleased to lay before the meeting. The patron or vice-patron is to be furnished, by the chairman at general meetings, with a correct copy of all reports which may be laid before them, and with every other information which he may be pleased to demand from time to time.

6. Either of the presidents shall have the power to call a general or committee meeting at any time, by notice in writing for that purpose to the actuary, who shall summon it accordingly; and at which, if the patron or vice-patron, be not present, the senior president shall preside. The presidents shall be furnished with reports, and every other information, in like manner with the patrons.

7. One of the vice-presidents, in the absence of the patron, vice-patron, and presidents, shall take the chair at all general meetings, agreeably to seniority as a member of this society. The vice-presidents, being members of the society, shall be, when

electd, the twelve senior officers of the highest ranks in the royal navy and royal marine forces.

8. The twelve trustees shall be members of this society, who, or the major part of them present at a meeting for that purpose, shall, from time to time, appoint the treasurers; and in the names of the said trustees all the monies forming the stock of the society, shall be from time to time invested in the savings bank, the public funds, or such other government securities as the said committee, or the major part of them present, shall think proper. The trustees, or the majority of them, by and with the concurrence of the committee present, signified in writing, under their hands, shall and may lay out and invest all such sums of money remaining in the hands of the treasurers, and not required for the immediate use and exigencies of the society, in the public funds or government securities, as the said committee, or the major part of them, shall direct. And when the three per cent. consols shall fall in value, so as to make them on a par, or nearly so, with the interest given by the savings bank, then the monies of this society shall be transferred from the savings bank to the three per cent. consols, reserving, from time to time, such monies in the savings bank, as the committee shall deem necessary for the exigencies of the society; and no monies from the said three per cents. shall at any time be removed, except by consent of a general meeting, of which not less than ten days' notice shall be given, as hereinafter mentioned. And in case either of the trustees should die, or go to reside beyond seas, or decline, or become incapable of acting in the trusts or powers in him reposed, it shall and may be lawful for the committee of management, or the major part of them present, to nominate or appoint any other fit and proper person (being a member of the said society) to be a trustee, in the room of him so dying, going to reside beyond seas, declining, or becoming incapable of acting as aforesaid; and so on, from time to time, as often as occasion may require.

9. The four treasurers shall be members of this society, and be elected or re-elected annually, by the majority of the trustees present at the anniversary meetings. One of them shall attend to receive all monies from the actuary and stewards, and deposit the same in the savings bank, in the names of the said trustees, within six days after its receipt, or they shall be fined two per cent. on the amount, and so on for every week the sum is detained in their hands beyond that time. They shall draw all monies for paying claimants, and for defraying expenses incurred by the society, on receiving an order in writing from the majority of the committee present, stating the amount necessary, and for what purpose; and shall attend at all meetings for paying claimants, also at general and committee meetings; and at every quarterly meeting their accounts shall be audited.

10. The actuary and chief secretary shall be a member of this society, and shall not be in any other employ, but the whole of his attention shall be given to his duty as actuary, and shall be elected by scrutiny by the majority of votes at a general meeting, and such election shall be considered permanent. His duty is to attend at the quarterly subscription payments with the treasurers and stewards, and to investigate the validity of, and to pay all claims and demands, and to record, in proper books for that purpose, the names and residences of the members, the minutes of all transactions and orders of the society; or the committee hereof; to keep an account of all members' deaths, to register all claimants, the receipts and expenditure of the trustees, treasurers, and stewards, on behalf of the society; to write all letters, and perform all the duties incidental to his office. All expenses incurred by the society in receiving or sending letters, shall be repaid by the person or persons on whose account such expenses were incurred; but should those expenses remain unpaid, the actuary shall be repaid from the society's funds. All books, papers, and documents, belonging to this society, shall be open to the inspection of any Member of the committee, upon giving one day's previous notice in writing, to the actuary, of his desire so to do. The actuary shall not permit any books or accounts belonging to this society, which are kept by him, to be out of his possession, but by order of the committee, or majority of them present, except in that of the society's auditors, (who are to be appointed by the committee). The actuary shall attend at all general or committee meetings, and shall draw up, under their directions, the annual report, stating the whole of the pecuniary and other affairs of the institution; shall summon a general meeting of the society, when desired so to do by the committee, always giving ten days' notice of the same in one London daily paper twice, and once only in such provincial paper as the committee may point out from time to time; and shall also send circulars to those members who reside in Devon and Cornwall. He shall also summon, by circulars, a committee meeting, whenever desired by the patron, vice-patron, or either of the presidents; or at the desire of any two of the vice-presidents, trustees, treasurers,

stewards, or any five members of the committee, their desire being signified in writing, and for what purpose. The actuary is authorized to receive all monies on account of this society in the intermediate time between the quarterly payments, and he is to enter all new members agreeably to the regulations of the society, and receive such monies as may be paid by the members; and whenever the same amounts to the sum of thirty pounds, he shall pay, within three days, all above the sum of ten pounds into the hands of the treasurers; and at every quarterly meeting his accounts shall be audited. In case the actuary should die, or go to reside beyond seas, or refuse, decline, or become incapable of acting in the trusts or powers in him reposed, it shall and may be lawful for the committee of management, or the majority of them present, to nominate or appoint any other fit and proper person (being a member of the said society) to be the actuary, in the room of him dying, going to reside beyond seas, refusing, declining, or becoming incapable to act as aforesaid, and so on, from time to time, as often as occasion may require. The salary of the actuary to be determined annually by the general meeting, at the recommendation of the committee, or the major part of them present; and he shall become bound in good and sufficient sureties, for the due discharge of his duty, such security to be determined by such committee. And in case of any misconduct on the part of the actuary, he shall be removed from his office, when a majority at a general meeting convened for that purpose, shall so determine; and should he at any time wish to resign, six months' notice in writing of the same shall be given to the committee.

11. The six secretaries shall be members of this society, and be elected or re-elected annually by the majority of the members present at the anniversary meetings. It shall be the duty of two of them to attend at all general and committee meetings, to assist the actuary.

12. The twelve stewards shall be members of this society, and be elected or re-elected annually by the majority of members present at the anniversary meetings. They shall meet at the society's room, in Plymouth-Dock, on the days appointed for the payment of naval officers' half-pay at the dock-yard, and keep the books open from eleven to three o'clock, and on the days of recall, from twelve until two o'clock, to enter all subscriptions received. By twelve o'clock on the second day, after the receipt of all monies belonging to the society, they shall pay the same into the hands of the treasurers, or shall pay a fine of one per cent. on the amount, and the like fine for each and every day the money is detained in their hands beyond that time. They shall minutely investigate the validity of the claims, attend the general and committee meetings, and with the treasurers, assist the actuary in paying all claims and demands. Should any matter come before the treasurers, actuary, and stewards, which these rules do not precisely explain, they shall refer it to the committee, the majority of whom present, shall finally determine the same. Two of the stewards in turn shall attend all meetings, both general and committee; and should either of the two whose duty it is to attend the meetings, neglect so to do, and neither of them be present, they shall be fined five shillings each, unless one of the other stewards act for them. At every quarterly meeting their accounts shall be audited.

13. The fifty other members of the committee shall be members of this society, and be elected or re-elected annually by scrutiny, by the members who may be present at the anniversary meetings, and be taken, as nearly as possible, from each rank of officers composing the society, in equal proportions, agreeably to the strength of each rank which may then be on the list of its members; and the chairman, treasurer, secretary, and steward of all branch societies, shall be, *ex-officio*, members of this committee.

14. A general meeting of the society shall be held on the first Monday in the month of July in every year, in the town of Plymouth-dock, in the county of Devon: at noon precisely the chair shall be taken by the patron, vice-patron, the senior president, or vice-president, then present; but in case of their absence, the members then present shall elect a chairman (for that occasion only), after which the committee of the preceding year shall lay before the meeting a written report, containing a statement of the funds of the society, in what securities they are invested, and the amount of the interest yielded by each security; also the expenses of the society, and for what purpose and in what manner incurred; the number of subscribers on the society's list, the donations received, the number of subscribers and annuitants who may have died during the year, together with the description of annuitants to be provided for by the society; what members may have been expelled by the committee, and on what grounds; together with every other information respecting the society, which the committee can give. The report which meets the approbation of the meeting shall be printed, under the direction of the actuary; and should any member of the society wish

for a copy, upon signifying such wish in writing to the actuary, on or before the day of meeting, he shall have a copy delivered him by paying for the same, as the only expense of the society shall be for one copy for each of the officers, and one copy for the use of the committees. After the report is agreed to by the meeting, they shall proceed to elect or re-elect officers and a committee for the ensuing year; which committee shall meet on the following Monday, and take into their charge all the records, books, papers, and other documents, belonging to the society, and elect their chairman and his deputy from their own body.

15. The committee shall meet on the last Monday in the months of February, May, August, and November; at noon precisely the chair shall be taken by either the chairman or his deputy; but if neither of them be present, the members then met (if sufficient to form a quorum, to consist as hereinafter mentioned) shall immediately elect a chairman for that day; after which, the first thing entered upon shall be the auditing of all the accounts up to the day of meeting, and not until the accounts are gone through, shall any other business be brought forward. If the business of the committee cannot be conveniently got through on that day, the chairman may adjourn the meeting to the following day, or from day to day, until the business be finished. The least number of the committee which can form a quorum shall consist of one trustee, one treasurer, the actuary, or one secretary, one steward, and seven other members. The committee shall enforce a compliance with the rules of the society by every member; and should any member offend, by a non-compliance with the rules of the society, (after a fair examination, and giving him every opportunity to exculpate himself) then, if the majority of the committee think fit, the offending member shall be expelled or fined, as the rules shall point out for the offence; but the committee shall not make a rule to expel any member. The committee shall have the power of calling a general meeting of the society at any time the majority present shall think proper, or upon the written request to the actuary, or in the event of his illness or absence, to one of the secretaries, of any twenty-one members of the society; and any five members of the committee may direct the actuary to call a committee meeting at any time; and at such extraordinary meetings all accounts shall be subject to inspection.

16. The members of this society shall be divided into six classes, and pay into the funds the following subscriptions:—

| Class. | Age. | Entrance. | Quarterly. |
|--------------------------------------|---------------------|--------------|------------|
| 1st, consisting of persons under 30, | shall pay |5s..... | 5s. 6d. |
| 2d, | from 30 to 40,..... |5s..... | 7s. 6d. |
| 3d, | 40 to 50,..... |5s..... | 10s. 0d. |
| 4th, | 50 to 60,..... |5s..... | 12s. 6d. |
| 5th, | 60 to 65,..... |5s..... | 15s. 0d. |
| 6th, | 65 to 70,..... |3s..... | 17s. 6d. |

and no officer shall be admitted into this society beyond the age of 70, except as an honorary member, who shall be at liberty to attend all general meetings, and give his vote therein, but not to nominate an annuitant. All subscriptions become due and payable, and shall be paid to the stewards of this society, on the days appointed by Government for the payment of naval officers' half-pay at the dock-yard, or within fourteen days after; and every member who does not pay his quarterly subscriptions on the days appointed by this rule, or shall let such number of days pass without his doing so, shall be fined one quarter of the amount of his subscription; if the said quarterly subscription, with the fine thereon, be not paid when the second quarterly subscription shall become due, he shall be fined one half of the amount of such subscription; if the said quarterly subscriptions, with the fines thereon, are not paid when the third quarterly subscription shall become due, he shall be fined three quarters of the amount of such subscriptions; and if the said subscriptions, with the fines thereon, are not paid when the fourth quarterly subscription shall become due, he shall be excluded, except he come within the benefit of the next rule; and no officer's name shall be recorded, nor shall be considered as belonging to this society, until his entrance money and his first quarterly subscription be paid, all subscriptions being payable in advance.

17. Any member of this society who may be absent, or residing out of the United Kingdom, shall provide himself with means to pay his quarterly subscriptions, free of expense to the society; and if any such member shall be one quarter's subscription in arrear, he shall be fined to the amount of one quarter of the subscription then due; if two quarters in arrear, one half the subscription then due; if three quarters in arrear, three fourths of his subscription then due; and if the said subscriptions, with the fines thereon, are not paid when the fourth quarterly subscription shall become due, then the said member shall be placed on the suspension list; and should he die whilst on

that list, his annuitant shall be excluded all benefit from the funds of this society. When any member shall have been three years on the suspension list, he shall be excluded the society; but should a member on that list return before he has been placed on it for three years, and pay his arrears and fines, and the interest due thereon, he shall be considered as a member in all respects, as if he had regularly kept up his quarterly subscriptions. Any member may pay in advance as many quarterly subscriptions as he may think proper; and all persons who may be appointed agents for members, for the payment of their subscriptions, shall have their names inserted on the society's books, as such agents.

18. Every member at the time of nominating an annuitant, shall produce to the actuary a certificate of the baptism of himself and his annuitant, or if the same cannot be procured, a declaration of their ages in writing, to the best of such member's knowledge and belief, which shall be lodged with the records of the society. Any member giving a false statement, to elude the fines, shall be expelled the society; and no annuitant shall receive any benefit, should it be proved that a false statement has been so given by the member, with respect to either of their ages; and all sums of money paid by the said member shall be forfeited.

19. Any officer belonging to the royal navy or royal marines, on the 15th day of May, 1823, and not entering the society until three months after, shall produce a certificate from a medical man of his being in good health, satisfactory to the committee; and not entering until six months after the 15th day of August, pay, in addition to the entrance money, six shillings. If he does not enter at the expiration of the said six months, and before the expiration of nine months, he shall pay eight shillings in addition; before the expiration of twelve months, ten shillings; and at the expiration of twelve months, twelve shillings. Should he not enter until the commencement of the second year, and before the close of it, he shall pay one pound; the third year two pounds; the fourth year two pounds ten shillings; the fifth year, three pounds; and after the said five years, the fine to be increased to two pounds ten shillings a year, in addition to that of three pounds for five years. And any persons who may in future be promoted into the royal naval or royal marines, and not become members of this society within three months from the date of their promotion, shall not be admitted after that period, without paying the sums above specified, except those who may be on foreign stations.

20. If a member of this society should nominate as his annuitant a female more than five years younger than himself, he shall pay an additional sum, agreeably to his class, for the number of years she may be his junior, according to the following table:—

| | |
|-----------------------------------------------------------------|-------------------|
| 1st class, for 5 years, and each and every year exceeding 5.... | 8s. 0d. per year. |
| 2d..... | 9s. 6d. |
| 3d..... | 11s. 0d. |
| 4th..... | 13s. 6d. |
| 5th..... | 15s. 0d. |
| 6th..... | 16s. 0d. |

but should any member be unable to pay the sums specified in the above table at one time, he is at liberty to do so, by separate payments, of not less than two pounds per quarter, on which, after the first quarter, interest, at the rate of five pounds per cent. per annum, will be charged on the remaining sum. After the 1st of May, 1824, no officer above the age of sixty shall be admitted, unless he pay double subscriptions and entrance monies aforesaid, excepting he may have been out of the United Kingdom; but in the latter case, he shall not be eligible for admission after the 1st of May, 1826.

21. No part of the funds accruing to this society from annual subscriptions, donations, fines, or otherwise, shall become divisible or payable, according to the rules of this society, until after the expiration of five years from the formation thereof. In the mean time, such funds, after deducting all necessary and incidental expenses, shall be suffered to accumulate; and four years receipts of the society shall always remain as an unappropriated fund, which said unappropriated fund, together with its additions, from time to time, shall remain a permanent stock; but the interest thereon may be applied to the current disbursements of the society when necessary.

22. In order to give stability to the capital stock of the society, and to meet the growing demands on its funds, the annual subscriptions shall be divided into twenty equal parts, when the society commence their payments to the annuitants, and the first year's payments shall commence with three twentieths, together with that year's interest on the capital stock of the society, and the remaining seventeen twentieths shall be added to the unappropriated fund; and at the end of each year after, the appropriated fund for paying annuities shall be taken from the unappropriated fund, with annual interest on the capital

ock, to the end of twenty years from the establishment of this society, and the remaining twentieths shall always be added to such unappropriated fund. At the end of twenty years, the whole of the subscriptions shall be divided between the annuitants, together with the interest of the capital stock of the society; and all sums, fines, and donations, shall be added to the unappropriated funds.

23. All persons who may become claimants on the funds of this society shall be entitled to receive their annuities on the 21st of May in every year, commencing their first payment on the 21st of May, 1828, (the office to be open every day during the remainder of the month, to pay annuities) out of the funds provided for that purpose by the 22d rule, and no other, which said amount shall be equally divided between all the annuitants, provided that such funds appropriated for distribution do not exceed fifty pounds to each claimant, the surplus to be carried to the credit of claimants for future payments. This clause to be observed for the first five years from which the society commence their payments.

24. Every member of this society shall be at liberty to name as his annuitants his wife, children, parents, and sisters. Should a member name a female younger than himself, he shall pay the additional sum in the table of rule 20; should a member name his son as his annuitant, then such son shall only remain on the funds of this society, till he attain the age of twenty-one; but such member shall not be liable to any additional payment; should any member of this society wish to provide for more than one annuitant, he shall be at liberty to do so, on producing a certificate of health satisfactory to the committee, and paying an additional entrance and subscription, with the sums according to rule 20, and so on for every annuitant he may wish to leave on the funds of the society; and should he wish to provide for his annuitant more than one annuity, he shall be at liberty to do so, on producing a certificate of health satisfactory to the committee, and paying additional entrances, subscriptions, and sums not exceeding seven on each annuitant. No female nominee shall be entitled to her annuity during her coverture; but in the event of such annuitant's husband's death, she shall be received as an annuitant on the society as before; and should such husband have been a subscriber, she shall receive double the annuity, and so on for every husband that may have been a subscriber, provided she was so nominated by the husband or husbands, and have complied with the rules, in respect to the five years' payments, &c.—No annuitant shall receive any benefit from this society till all the fines and subscriptions are paid up, agreeably to its rules, which may be due from the deceased member of such annuitant.

25. If a member, having paid his entrance money, and first quarter's subscription, should die, his annuitant, at the termination of the fifth year from the date of nomination, shall be entitled to the annuity, provided such annuitant shall have paid up all subscriptions, sums, and fines, to the end of the fifth year; but if the said annuitant should not be able to continue the quarterly subscriptions after the demise of such member, then the annuitant shall make a declaration in writing to the actuary to that effect, and the said arrears shall be placed to the said annuitant's account, and at the end of the said five years, the arrears, with the interest due thereon, shall be deducted from the said annuity when it becomes payable.

26. A member of this society having named his nominee, shall have the power to bequeath the benefit arising from the society to any other person he may think proper, such person being entitled according to the rules, during the nominee's life-time, in an unmarried state, should he not wish his nominee to receive such benefit.

27. If any member of this society should die in any quarter of a year on or after the 15th day of February, the 15th day of May, the 15th day of August, or the 15th day of November, his annuitant shall not be entitled to any portion of annuity for that quarter in which he may so die; but if any member should die in any quarter of a year before the 15th day of February, the 15th day of May, the 15th day of August, or the 15th day of November, his annuitant shall be entitled to, and shall receive, the full quarter's annuity in which the said member may so die.

28. If a member of this society, having paid by way of subscription any sum of money in advance, should die, the surplus of what he may have paid up to the time of his decease, shall be refunded to his annuitant without interest; but at no other time shall any fines or monies be refunded.

29. Any member of this society, who may marry after becoming a member, shall be at liberty to make his nomination on the class in which he may have so entered, on paying such sums as in rule 20, deducting therefrom such sums of money as he may have paid by subscriptions previous to his marriage, excepting the first five years of such subscriptions, which shall entitle the nominee to the benefits of this society on the death of such member, provided the member has been five years belonging to the

Society; and should the nominee of any member die, and that member continue his subscription, he shall be at liberty to nominate a second annuitant only, on the same class in which he originally entered, paying such sums only as the rules of this society provide for, in respect to the difference in ages at the time of his nomination; but should the member not continue his subscription after the death of his nominee, and should again wish to renew them, then his age will be considered as to the class on which he will re-enter.

30. When any member of this society dies, his annuitant must send a certificate of his demise or burial (post paid) to the actuary, signed by the minister and churchwardens of the place where the said member's death took place; or should any member die in government employ, an official document of his death shall supersede all other certificates; and when the said annuitant's annuity shall become due, an affidavit must be annually taken before a magistrate, of the annuitant being alive and unmarried, on or before the 9th day of April, together with an order to whom such annuity shall be paid; the receipt of the person so ordered shall in all cases for ever exonerate the trustees, treasurers, actuary, and stewards, for the time being, for the payment of the same. And as the fund appropriated for the payment of annuitants is equally divided between all the claimants, those annuitants who do not make good their claims, and furnish the actuary with the necessary documents, on or before the 9th day of April, cannot be admitted, as no arrears will be made good to annuitants at any time. All baptisms, marriages, and deaths, relating to the concerns of the society, shall be proved by such certificates, copies of registers, or other means, as shall be satisfactory to the committee.

31. It is further agreed, that if at any time a dispute should arise between any member of this society, with respect to any matter or thing concerning the same, which these articles do not determine, it shall be settled by arbitration in the following manner:—Two members of this society shall be nominated, one by the majority of the committee, and the other by the person or party aggrieved; these two shall appoint two each, after which the first two persons nominated shall appoint two others, one of the latter being taken by lot; and these seven, or the majority of them, shall determine the matter in dispute. This determination is to be final to all intents and purposes, without appeal to any of his Majesty's courts of justice, or to any magistrate, conformably to the section of an Act of Parliament, passed in the 33d year of his late Majesty's reign, (George III.) entitled "An Act for the relief and encouragement of Friendly Societies." Any person or persons who may consider himself or themselves aggrieved, shall inform the actuary, by a written notice, of his or their wish to have the case settled by arbitration; when the actuary shall appoint the committee to meet, and give notice thereof to the member or members complaining. If the person or persons aggrieved should not attend at the said meeting, with the members who are to be his or their arbitrators, he or they shall be fined twenty shillings each. If a member of this society should, at any general or committee meeting, bring forward any matter which has been so decided, he shall be fined twenty shillings for the first offence, five pounds for the second offence, and if repeated, he shall be expelled the society. Any member of this society who may be chosen as an arbitrator, and refuse to act in that capacity, shall be fined twenty shillings, subject, however, to a decision of the committee.

32. If a member, having monies or other effects in his hands, the property of the society, shall not account for, pay, or deliver the same to the trustees when thereto required, or shall misapply or misuse the same, he shall pay double the sum or value of the property, and be expelled the society; and no member shall detain, withhold, or refuse to give up, any books, papers, or other documents belonging to the society, when required so to do by the committee, or major part of them present, under such penalty as the said committee shall determine.

33. If any member of this society shall have commenced his subscription, he shall be at liberty to continue the same, and secure to his annuitant the enjoyment of such benefit, notwithstanding he may have afterwards quitted his Majesty's service.

34. In order that no member may plead ignorance of the intent and meaning of these articles, each member shall subscribe his name to the rules, either by himself or his attorney, lawfully authorized, and take a copy of them at the cost price; and the actuary shall, at the time of the member nominating his or her annuitant, fill up and sign the printed certificate which is attached to the rules, and the production of such certificate by the annuitant, or his or her agent, shall be considered a sufficient voucher of the nominations.

35. The widows of officers of the royal navy and the royal marines, whose husbands were deceased previous to the formation of this institution, and who may become

widows previous to the 1st of July, 1824, shall be allowed to make provision, agreeably to the rules of this society, for their children, being the children of officers, who from their rank might have been admitted as members of this society, provided the widows of such officers do not exceed the age of sixty; and all widows of officers, under such age, members of this society, shall be at all times eligible to make provision for the child or children of such members, but shall not be allowed to attend any general or committee meetings; and all such widows entering this institution, shall produce an attested certificate of good health from a medical man.

36. The rent for the society's rooms, purchase of stationery, postages, and other incidental expenses, shall be paid out of the funds of the society; but no charge for any articles purchased shall be allowed in the account, unless, before the purchase thereof, the same shall have been regularly proposed to the committee, and entered on their minute-book; and the expenses for a committee-room, stationery, postages, advertisements, and incidental expenses, incurred by all branch meetings connected with the society, whose numbers on each quarterly return amount to fifty members, shall be allowed by the committee of the parent society (on the bills of such expenses being laid before them, and approved,) signed by the chairman, and countersigned by the secretary of such branch society; and all other branch society meetings, whose numbers amount to twenty, and under fifty members, shall have their expenses of postages and stationery only allowed, on approval of the committee of the parent society, on the bills being transmitted, signed and countersigned in like manner.

37. Previous to any alteration of these rules and regulations, timely notice of the same shall be sent to all the branches of the society whose numbers amount to twenty and upwards, in order that the sense of their views of the proposed alteration may be made known to the parent society, at the general meeting convened for that purpose.

38. That the more effectually to afford legal redress for the non-performance, by any member, or subscriber hereto, of any rule, article, stipulation, or agreement, contained herein, each and every member and person who shall subscribe his or her name hereto, doth promise and agree, with and to Henry Richard Glynn, John Pasco, William Bowden Mends, Richard Creyke, Palms Westropp, John Thicknesse, William Price, Peter Welsford, Edward Scott, John Page Bailey, John Clyde, and Christopher Birdwood, or any two of them, parties hereto, and the executors and administrators of the survivors of them, that he and she shall and will observe, perform, fulfil, and keep, all and singular, the rules, articles, stipulations, and agreements, on his and her part and behalf, to be done, observed, performed, fulfilled, and kept; and that in case he or she shall commit any breach or non-observance of the said rules, articles, stipulations, and agreements, before written, or any of them, it shall and may be lawful for the said Henry Richard Glynn, John Pasco, William Bowen Mends, Richard Creyke, Palms Westropp, John Thicknesse, William Price, Peter Welsford, Edward Scott, John Page Bailey, John Clyde, and Christopher Birdwood, or any two of them, and the survivor of them, and the executors or administrators of such survivors, to recover damages for the breach hereof, in an action or actions at law.

We have examined the foregoing rules and orders of the Royal Naval Annuitant Society, and are of opinion that they may be safely adopted.

stewards, or any five members of the committee, their desire being signified in writing, and for what purpose. The actuary is authorized to receive all monies on account of this society in the intermediate time between the quarterly payments, and he is to enter all new members agreeably to the regulations of the society, and receive such monies as may be paid by the members; and whenever the same amounts to the sum of thirty pounds, he shall pay, within three days, all above the sum of ten pounds into the hands of the treasurers; and at every quarterly meeting his accounts shall be audited. In case the actuary should die, or go to reside beyond seas, or refuse, decline, or become incapable of acting in the trusts or powers in him reposed, it shall and may be lawful for the committee of management, or the majority of them present, to nominate or appoint any other fit and proper person (being a member of the said society) to be the actuary, in the room of him dying, going to reside beyond seas, refusing, declining, or becoming incapable to act as aforesaid, and so on, from time to time, as often as occasion may require. The salary of the actuary to be determined annually by the general meeting, at the recommendation of the committee, or the major part of them present; and he shall become bound in good and sufficient sureties, for the due discharge of his duty, such security to be determined by such committee. And in case of any misconduct on the part of the actuary, he shall be removed from his office, when a majority at a general meeting convened for that purpose, shall so determine; and should he at any time wish to resign, six months' notice in writing of the same shall be given to the committee.

11. The six secretaries shall be members of this society, and be elected or re-elected annually by the majority of the members present at the anniversary meetings. It shall be the duty of two of them to attend at all general and committee meetings, to assist the actuary.

12. The twelve stewards shall be members of this society, and be elected or re-elected annually by the majority of members present at the anniversary meetings. They shall meet at the society's room, in Plymouth-Dock, on the days appointed for the payment of naval officers' half-pay at the dock-yard, and keep the books open from eleven to three o'clock, and on the days of recall, from twelve until two o'clock, to enter all subscriptions received. By twelve o'clock on the second day, after the receipt of all monies belonging to the society, they shall pay the same into the hands of the treasurers, or shall pay a fine of one per cent. on the amount, and the like fine for each and every day the money is detained in their hands beyond that time. They shall minutely investigate the validity of the claims, attend the general and committee meetings, and with the treasurers, assist the actuary in paying all claims and demands. Should any matter come before the treasurers, actuary, and stewards, which these rules do not precisely explain, they shall refer it to the committee, the majority of whom present, shall finally determine the same. Two of the stewards in turn shall attend all meetings, both general and committee; and should either of the two whose duty it is to attend the meetings, neglect so to do, and neither of them be present, they shall be fined five shillings each, unless one of the other stewards act for them. At every quarterly meeting their accounts shall be audited.

13. The fifty other members of the committee shall be members of this society, and be elected or re-elected annually by scrutiny, by the members who may be present at the anniversary meetings, and be taken, as nearly as possible, from each rank of officers composing the society, in equal proportions, agreeably to the strength of each rank which may then be on the list of its members; and the chairman, treasurer, secretary, and steward of all branch societies, shall be, *ex-officio*, members of this committee.

14. A general meeting of the society shall be held on the first Monday in the month of July in every year, in the town of Plymouth-dock, in the county of Devon: at noon precisely the chair shall be taken by the patron, vice-patron, the senior president, or vice-president, then present; but in case of their absence, the members then present shall elect a chairman (for that occasion only), after which the committee of the preceding year shall lay before the meeting a written report, containing a statement of the funds of the society, in what securities they are invested, and the amount of the interest yielded by each security; also the expenses of the society, and for what purpose and in what manner incurred; the number of subscribers on the society's list, the donations received, the number of subscribers and annuitants who may have died during the year, together with the description of annuitants to be provided for by the society; what members may have been expelled by the committee, and on what grounds; together with every other information respecting the society, which the committee can give. The report which meets the approbation of the meeting shall be printed, under the direction of the actuary; and should any member of the society wish

that list, his annuitant shall be excluded all benefit from the funds of this society. When any member shall have been three years on the suspension list, he shall be excluded the society; but should a member on that list return before he has been placed on it for three years, and pay his arrears and fines, and the interest due thereon, he shall be considered as a member in all respects, as if he had regularly kept up his quarterly subscriptions. Any member may pay in advance as many quarterly subscriptions as he may think proper; and all persons who may be appointed agents for members, for the payment of their subscriptions, shall have their names inserted on the society's books, as such agents.

18. Every member at the time of nominating an annuitant, shall produce to the actuary a certificate of the baptism of himself and his annuitant, or if the same cannot be procured, a declaration of their ages in writing, to the best of such member's knowledge and belief, which shall be lodged with the records of the society. Any member giving a false statement, to elude the fines, shall be expelled the society; and no annuitant shall receive any benefit, should it be proved that a false statement has been so given by the member, with respect to either of their ages; and all sums of money paid by the said member shall be forfeited.

19. Any officer belonging to the royal navy or royal marines, on the 15th day of May, 1823, and not entering the society until three months after, shall produce a certificate from a medical man of his being in good health, satisfactory to the committee; and not entering until six months after the 15th day of August, pay, in addition to the entrance money, six shillings. If he does not enter at the expiration of the said six months, and before the expiration of nine months, he shall pay eight shillings in addition; before the expiration of twelve months, ten shillings; and at the expiration of twelve months, twelve shillings. Should he not enter until the commencement of the second year, and before the close of it, he shall pay one pound; the third year two pounds; the fourth year two pounds ten shillings; the fifth year, three pounds; and after the said five years, the fine to be increased to two pounds ten shillings a year, in addition to that of three pounds for five years. And any persons who may in future be promoted into the royal naval or royal marines, and not become members of this society within three months from the date of their promotion, shall not be admitted after that period, without paying the sums above specified, except those who may be on foreign stations.

20. If a member of this society should nominate as his annuitant a female more than five years younger than himself, he shall pay an additional sum, agreeably to his class, for the number of years she may be his junior, according to the following table:—

| | |
|-----------------------------------------------------------------|-------------------|
| 1st class, for 5 years, and each and every year exceeding 5.... | 8s. 0d. per year. |
| 2d..... | 9s. 6d. |
| 3d..... | 11s. 0d. |
| 4th..... | 13s. 6d. |
| 5th..... | 15s. 0d. |
| 6th..... | 16s. 0d. |

but should any member be unable to pay the sums specified in the above table at one time, he is at liberty to do so, by separate payments, of not less than two pounds per quarter, on which, after the first quarter, interest, at the rate of five pounds per cent. per annum, will be charged on the remaining sum. After the 1st of May, 1824, no officer above the age of sixty shall be admitted, unless he pay double subscriptions and entrance monies aforesaid, excepting he may have been out of the United Kingdom; but in the latter case, he shall not be eligible for admission after the 1st of May, 1826.

21. No part of the funds accruing to this society from annual subscriptions, donations, fines, or otherwise, shall become divisible or payable, according to the rules of this society, until after the expiration of five years from the formation thereof. In the mean time, such funds, after deducting all necessary and incidental expenses, shall be suffered to accumulate; and four years receipts of the society shall always remain as an unappropriated fund, which said unappropriated fund, together with its additions, from time to time, shall remain a permanent stock; but the interest thereon may be applied to the current disbursements of the society when necessary.

22. In order to give stability to the capital stock of the society, and to meet the growing demands on its funds, the annual subscriptions shall be divided into twenty equal parts, when the society commence their payments to the annuitants, and the first year's payments shall commence with three twentieths, together with that year's interest on the capital stock of the society, and the remaining seventeen twentieths shall be added to the unappropriated fund; and every year after, the appropriated fund for living annuities shall be increased one twentieth, with annual interest on the capital

Royal Naval Annuitant Society.

stock, to the end of twenty years from the establishment of this society, and the remaining twentieths shall always be added to such unappropriated fund. At the end of twenty years, the whole of the subscriptions shall be divided between the annuitants, together with the interest of the capital stock of the society; and all sums, fines, and donations, shall be added to the unappropriated funds.

23. All persons who may become claimants on the funds of this society shall be entitled to receive their annuities on the 21st of May in every year, commencing their first payment on the 21st of May, 1828, (the office to be open every day during the remainder of the month, to pay annuities) out of the funds provided for that purpose by the 22d rule, and no other, which said amount shall be equally divided between all the annuitants, provided that such funds appropriated for distribution do not exceed fifty pounds to each claimant, the surplus to be carried to the credit of claimants for future payments. This clause to be observed for the first five years from which the society commence their payments.

24. Every member of this society shall be at liberty to name as his annuitants his wife, children, parents, and sisters. Should a member name a female younger than himself, he shall pay the additional sum in the table of rule 20; should a member name his son as his annuitant, then such son shall only remain on the funds of this society, till he attain the age of twenty-one; but such member shall not be liable to any additional payment; should any member of this society wish to provide for more than one annuitant, he shall be at liberty to do so, on producing a certificate of health satisfactory to the committee, and paying an additional entrance and subscription, with the sums according to rule 20, and so on for every annuitant he may wish to leave on the funds of the society; and should he wish to provide for his annuitant more than one annuity, he shall be at liberty to do so, on producing a certificate of health satisfactory to the committee, and paying additional entrances, subscriptions, and sums not exceeding seven on each annuitant. No female nominee shall be entitled to her annuity during her coverture; but in the event of such annuitant's husband's death, she shall be received as an annuitant on the society as before; and should such husband have been a subscriber, she shall receive double the annuity, and so on for every husband that may have been a subscriber, provided she was so nominated by the husband or husbands, and have complied with the rules, in respect to the five years' payments, &c.—No annuitant shall receive any benefit from this society till all the fines and subscriptions are paid up, agreeably to its rules, which may be due from the deceased member of such annuitant.

25. If a member, having paid his entrance money, and first quarter's subscription, should die, his annuitant, at the termination of the fifth year from the date of nomination, shall be entitled to the annuity, provided such annuitant shall have paid up all subscriptions, sums, and fines, to the end of the fifth year; but if the said annuitant should not be able to continue the quarterly subscriptions after the demise of such member, then the annuitant shall make a declaration in writing to the actuary to that effect, and the said arrears shall be placed to the said annuitant's account, and at the end of the said five years, the arrears, with the interest due thereon, shall be deducted from the said annuity when it becomes payable.

26. A member of this society having named his nominee, shall have the power to bequeath the benefit arising from the society to any other person he may think proper, such person being entitled according to the rules, during the nominee's life-time, in an unmarried state, should he not wish his nominee to receive such benefit.

27. If any member of this society should die in any quarter of a year on or after the 15th day of February, the 15th day of May, the 15th day of August, or the 15th day of November, his annuitant shall not be entitled to any portion of annuity for that quarter in which he may so die; but if any member should die in any quarter of a year before the 15th day of February, the 15th day of May, the 15th day of August, or the 15th day of November, his annuitant shall be entitled to, and shall receive, the full quarter's annuity in which the said member may so die.

28. If a member of this society, having paid by way of subscription any sum of money in advance, should die, the surplus of what he may have paid up to the time of his decease, shall be refunded to his annuitant without interest; but at no other time shall any fines or monies be refunded.

29. Any member of this society, who may marry after becoming a member, shall be at liberty to make his nomination on the class in which he may have so entered, on paying such sums as in rule 20, deducting therefrom such sums of money as he may have paid by subscriptions previous to his marriage, excepting the first five years' such subscriptions, which shall entitle the nominee to the benefits of this society the death of such member, provided the member has been five years belonging to

Society; and should the nominee of any member die, and that member continue his subscription, he shall be at liberty to nominate a second annuitant only, on the same class in which he originally entered, paying such sums only as the rules of this society provide for, in respect to the difference in ages at the time of his nomination; but should the member not continue his subscription after the death of his nominee, and should again wish to renew them, then his age will be considered as to the class on which he will re-enter.

30. When any member of this society dies, his annuitant must send a certificate of his demise or burial (post paid) to the actuary, signed by the minister and churchwardens of the place where the said member's death took place; or should any member die in government employ, an official document of his death shall supersede all other certificates; and when the said annuitant's annuity shall become due, an affidavit must be annually taken before a magistrate, of the annuitant being alive and unmarried, on or before the 9th day of April, together with an order to whom such annuity shall be paid; the receipt of the person so ordered shall in all cases for ever exonerate the trustees, treasurers, actuary, and stewards, for the time being, for the payment of the same. And as the fund appropriated for the payment of annuitants is equally divided between all the claimants, those annuitants who do not make good their claims, and furnish the actuary with the necessary documents, on or before the 9th day of April, cannot be admitted, as no arrears will be made good to annuitants at any time. All baptisms, marriages, and deaths, relating to the concerns of the society, shall be proved by such certificates, copies of registers, or other means, as shall be satisfactory to the committee.

31. It is further agreed, that if at any time a dispute should arise between any member of this society, with respect to any matter or thing concerning the same, which these articles do not determine, it shall be settled by arbitration in the following manner:—Two members of this society shall be nominated, one by the majority of the committee, and the other by the person or party aggrieved; these two shall appoint two each, after which the first two persons nominated shall appoint two others, one of the latter being taken by lot; and these seven, or the majority of them, shall determine the matter in dispute. This determination is to be final to all intents and purposes, without appeal to any of his Majesty's courts of justice, or to any magistrate, conformably to the section of an Act of Parliament, passed in the 33d year of his late Majesty's reign, (George III.) entitled "An Act for the relief and encouragement of Friendly Societies." Any person or persons who may consider himself or themselves aggrieved, shall inform the actuary, by a written notice, of his or their wish to have the case settled by arbitration; when the actuary shall appoint the committee to meet, and give notice thereof to the member or members complaining.—If the person or persons aggrieved should not attend at the said meeting, with the members who are to be his or their arbitrators, he or they shall be fined twenty shillings each. If a member of this society should, at any general or committee meeting, bring forward any matter which has been so decided, he shall be fined twenty shillings for the first offence, five pounds for the second offence, and if repeated, he shall be expelled the society. Any member of this society who may be chosen as an arbitrator, and refuse to act in that capacity, shall be fined twenty shillings, subject, however, to a decision of the committee.

32. If a member, having monies or other effects in his hands, the property of the society, shall not account for, pay, or deliver the same to the trustees when thereto required, or shall misapply or misuse the same, he shall pay double the sum or value of the property, and be expelled the society; and no member shall detain, withhold, or refuse to give up, any books, papers, or other documents belonging to the society, when required so to do by the committee, or major part of them present, under such penalty as the said committee shall determine.

33. If any member of this society shall have commenced his subscription, he shall be at liberty to continue the same, and secure to his annuitant the enjoyment of such benefit, notwithstanding he may have afterwards quitted his Majesty's service.

34. In order that no member may plead ignorance of the intent and meaning of these articles, each member shall subscribe his name to the rules, either by himself or his attorney, lawfully authorized, and take a copy of them at the cost price; and the actuary shall, at the time of the member nominating his or her annuitant, fill up and sign the printed certificate which is attached to the rules, and the production of such certificate by the annuitant, or his or her agent, shall be considered a sufficient voucher of the nominations.

35. The widows of officers of the royal navy and the royal marines, whose husbands were deceased previous to the formation of this institution, and who may become

widows previous to the 1st of July, 1821, shall be allowed to make provision, according to the rules of this society, for their children being the children of officers, who from their rank might have been admitted as members of this society, provided the widows of such officers do not exceed the age of sixty; and all widows of officers, under such age, members of this society, shall be at all times eligible to make provision for the child or children of such members, but shall not be allowed to attend any general or committee meetings; and all such widows entering this institution, shall produce an attested certificate of good health from a medical man.

36. The rent for the society's rooms, purchase of stationery, postages, and other incidental expenses, shall be paid out of the funds of the society; but no charge for any articles purchased shall be allowed in the account, unless, before the purchase thereof, the same shall have been regularly proposed to the committee, and entered on their minute-book; and the expenses for a committee-room, stationery, postages, advertisements, and incidental expenses, incurred by all branch meetings connected with the society, whose numbers on each quarterly return amount to fifty members, shall be allowed by the committee of the parent society on the bills of such expenses being laid before them, and approved, signed by the chairman, and countersigned by the secretary of such branch society; and all other branch society meetings, whose numbers amount to twenty, and under fifty members, shall have their expenses of postages and stationery only allowed, on approval of the committee of the parent society on the bills being transmitted, signed and countersigned in like manner.

37. Previous to any alteration of these rules and regulations, timely notice of the same shall be sent to all the branches of the society whose numbers amount to twenty and upwards, in order that the sense of their views of the proposed alteration may be made known to the parent society at the general meeting convened for that purpose.

38. That the more effectually to afford legal redress for the non-performance by any member, or subscriber hereto, of any rule, article, stipulation, or agreement contained herein, each and every member and person who shall subscribe his or her name hereto, doth promise and agree, with and to Henry Bowen Mends, John Price, William Bowen Mends, Richard Creyke, Palms Westrop, John Price, William Price, Peter Welsford, Edward Scott, John Page, Bailey, John Page, and Christopher Birdwood, or any two of them, parties hereto, and the executors and administrators of the survivors of them, that he and she shall and will observe, perform, fulfil, and keep, all and singular, the rules, articles, stipulations, and agreements, on his and her part and behalf, to be done, observed, performed, fulfilled, and kept; and that in case he or she shall commit any breach or non-observance of the said rules, articles, stipulations, and agreements, before written, or any of them, it shall and may be lawful for the said Henry Bowen Mends, John Price, William Bowen Mends, Richard Creyke, Palms Westrop, John Price, William Price, Peter Welsford, Edward Scott, John Page, Bailey, John Page, and Christopher Birdwood, or any two of them, and the survivors of them, and the executors and administrators of such survivors, to recover damages for the breach hereof, by suit or actions at law.

We have examined the foregoing rules and orders of the Royal Naval Annuitant Society, and are of opinion that they may be safely adopted.
